FOREWORD

The 55th General Council convened in Orlando, Florida, August 5–9, 2013, with over 26,000 children, youth, and adults attending from around the nation.

The theme of this General Council was “Believe”—believing God for “greater things” as we prepare to step into our 100th year as a movement. There was a strong call to depend upon God and step forward in faith to reach our world, relying on His favor and blessing.

The General Council began with the Influence Conference, a powerful event that brought together over 5,000 attendees and featured guest speakers Robert N. Madu II, Wilfredo (Choco) de Jesus, Judah Smith, Dary R. Northrop, and Christine Caine.

General Superintendent George O. Wood opened the General Council on Tuesday night by preaching on the Council theme “Believe” followed by a Thursday night World Missions Celebration in which Assemblies of God World Missions Executive Director Gregory M. Mundis spoke. The youth Fine Arts Finale concluded the Council on Friday night with over 15,000 young people and adults in attendance.

In the business sessions, George O. Wood was reelected to a four-year term as general superintendent. Douglas E. Clay and Zollie L. Smith, Jr., were also reelected to four-year terms as general treasurer and executive director of Assemblies of God U.S. Missions, respectively.

It was reported that in the 2011–2012 biennium, the United States Assemblies of God grew by 2 percent (2%) to nearly 3,100,000 adherents, representing 23 years of consecutive growth. Meanwhile, the World Assemblies of God Fellowship grew by 4 percent (4%) to over 66,300,000 people. We thank God for His blessings and depend on Him for our future.

Our next General Council will be in Orlando, Florida, August 3–7, 2015.

May the Lord bless you as we continue working together to build Christ’s kingdom!

James T. Bradford
General Secretary

**MINUTES OF THE 55th GENERAL COUNCIL
OF THE ASSEMBLIES OF GOD
CONVENED IN ORLANDO, FLORIDA
AUGUST 5–9, 2013**

The General Council Influence Conference convened on Monday and Tuesday, August 5–6.

TUESDAY EVENING—AUGUST 6

The 55th General Council began with a 7 p.m. service at the Orange County Convention Center in Orlando, Florida, with George O. Wood, general superintendent, as the keynote speaker.

General Superintendent George O. Wood opened the service with a welcome and encouraged everyone to BELIEVE for Greater Things. He followed with an impassioned prayer to God to fill the service with His presence. The general superintendent introduced a theme video that was shown. Amena Brown, a spoken word artist, presented a word about “the great cloud of witnesses” that had brought the Assemblies of God into being. She exhorted the crowd to “let Jesus’ footsteps be our measurement for success” and to “share and live the message of Jesus with everyone we meet.” The Influence Worship Band—Clayton Brooks, The Oaks Fellowship, Red Oak, Texas; Kurtis Parks, National Community Church, Washington, D.C.; and Ryan Williams, River Valley Church, Apple Valley, Minnesota—led a time of praise and worship. James T. Bradford, general secretary, offered prayer.

Assistant General Superintendent L. Alton Garrison welcomed attendees and introduced the Executive Leadership Team. He also recognized and expressed appreciation to Assemblies of God leadership including the executive presbyters, retired executives and spouses, fraternal delegates, and representatives from the World Assemblies of God Fellowship. He welcomed all the students from National Fine Arts who were in attendance for the combined youth and adult service. A video about *Vision* was shown announcing the Centennial Celebration and telling about the digital curriculum that is being produced. An offering was received for Assemblies of God Trust.

Prior to the message, an inspiring 20-minute video on the State of the Fellowship was presented featuring the general superintendent’s call to prayer. The report told the stories of five Assemblies of God churches that exemplify five characteristics needed in all Assemblies of God churches: (1) The church empowers community, (2) The church empowers members, (3) The church is a friend to the lost, (4) The church is diverse, and 5) The church walks in the Spirit. He called for the Church to believe God for greater things!

The keynote message for the 55th General Council was brought by General Superintendent George O. Wood and was entitled *Four Women Who Changed the Course of History—Believing beyond Your Circumstances*. He gave a stirring call to experience biblical faith and told the stories of four biblical women whose hard-won faith changed the course of history. Interwoven between his four points—Sarah Laughed, Naomi Plodded, Hannah Wept, Mary Submitted—he told stories from the history of the Assemblies of God to show that biblical faith is a living, contemporary faith. The following musical presentations were given: “The Songs of the Reaper” sung by Dwight C. Colbaugh and accompanied by Thomas R. Matrone, “’Tis So Sweet to Trust in Jesus” sung by Jacque L. Blauvelt and accompanied by Thomas R. Matrone, “I Believe” sung by Paula R. Gallaway playing for herself. In closing, the general superintendent told the story of Stan S. Steward, Jr., a

missionary who passed away August 2, 2013, and shared a video entitled, *Dying Out Loud*. (The Steward story is the subject of *Dying Out Loud*, a new book and DVD available from Influence Resources.) Hundreds of worshippers streamed to the altars to offer themselves to God. The general superintendent encouraged them, “The faith that overcomes the world is the faith that says, ‘I’m all in for Jesus.’” He exclaimed, “All for Jesus!”

The general superintendent presented the report of the general superintendent. He focused on the values that govern the administration and pointed to the Core Values he developed: Passionately Proclaim the Gospel, Strategically Invest in the Next Generation, Vigorously Plant New Churches and Revitalize Existing Churches (he announced that 1,597 churches have begun in the last five years), Skillfully Resource the Fellowship, and Fervently Pray for God's Favor and Blessing. He expressed his gratefulness for this wonderful Church and to this body for giving this team what is needed to reach and bless the body of Christ.

The chair was returned to the general superintendent.

State of the Fellowship/Spiritual Life Report

The State of the Fellowship address was presented by video prior to the general superintendent's message on Tuesday evening.

Assistant General Superintendent's Report

L. Alton Garrison presented the report of the assistant general superintendent highlighting Church Ministries. Our mission is the effectiveness of the local church, and our desire is to have an unbroken continuum of discipleship culture from cradle to grave. He shared some themes of the national office ministries and solicited the prayers of the body for the ministry teams. A healthy church is an Acts 1:8 church. He stated that our curriculum and discipleship training material is based upon the Acts 2 model, using the words: Connect, Grow, Serve, Go, Worship.

By common consent, a motion prevailed to accept the report of the assistant general superintendent and express appreciation to L. Alton Garrison.

General Secretary's Report

James T. Bradford presented the general secretary's report telling that the Flower Pentecostal Heritage Center is the largest Pentecostal archive in the world, with nearly 700,000 pages of archived materials. He reported some statistics and announced that the U.S. Assemblies of God has grown about 2 percent over the past biennium to just under 3.1 million adherents. He expressed concern that the percentage of ministers under the age of 40 has declined from two decades ago, but there is excitement about the many new young leaders God is raising up.

By common consent, a motion prevailed to accept the report of the general secretary and express appreciation to James T. Bradford.

Recess

The meeting recessed at 5:03 p.m. to reconvene at 8:45 a.m. on Thursday, August 8, 2013.

WEDNESDAY EVENING—AUGUST 7

An early evening banquet was held for the adults and hosted by Assemblies of God U.S. Missions. It focused on celebrating and raising awareness for Compassion Ministries. The speaker for the evening banquet was Joni Eareckson Tada, founder and chief executive officer of Joni and Friends International Disability Center.

The Wednesday evening service of the 55th General Council began at 7 p.m. in the Orange County Convention Center in Orlando, Florida. It was a youth service with an emphasis on Fine Arts. Two presentations were made that celebrated 50 years of Fine Arts.

Worship was led by the Influence Band: Clayton Brooks, The Oaks Fellowship from Red Oak, Texas; Kurtis Parks, National Community Church from Washington, D.C.; and Ryan Williams, River Valley Church from Apple Valley, Minnesota. Bruce S. (Scotty) Gibbons, Jr., Youth Ministries strategic partner, led the congregation in prayer.

Heath Adamson, director of Youth Ministries and senior ministry business director, introduced youth minister Jeanne Mayo, Snellville, Georgia, who brought a message, “Bury Me Standing!” referencing a practice in ancient cultures where warriors were buried in an upright position, ready to battle upon resurrection. She declared, “The world will be changed by bury-me-standing people.” She emphasized that this generation is quite possibly the one who will welcome back Jesus to the earth, making personal evangelism of the utmost importance. She challenged each individual to live a life that will affect the kingdom of God, to “dream like you’ll live forever, but live like you’ll die tomorrow.” Students filled the altars during a time of response, asking God to empower them with His Spirit as they prepare to be deployed for the greatest work of evangelism this generation has seen.

THURSDAY MORNING—AUGUST 8

Memorial Breakfast and Service

The Memorial Breakfast was held at the Orange County Convention Center for family members who have lost loved ones during this past biennium, between the dates of June 1, 2011, and May 31, 2013. General Secretary James T. Bradford opened the service by bringing greetings and offering a prayer. He shared that 810 Assemblies of God ministers are remembered this year, representing nearly 40,000 years of active ministry between them. “As our Fellowship enters its 100th year, we cannot help but feel a profound debt of gratitude to those who have gone before us. We stand on their shoulders.” In tribute to the deceased ministers, a memorial scroll video listing each name was shown.

C. Dan Betzer, executive presbyter and senior pastor of First Assembly of God, Fort Myers, Florida, ministered in song with David L. Thomas, of the same congregation, at the piano.

General Superintendent George O. Wood offered prayer for the families of those who have gone to their eternal reward and introduced Thomas E. Trask, former general superintendent and chairman of the Global Prayer Initiative for Convoy of Hope. Thomas E. Trask brought a message of comfort and inspiration using the text from 1 Thessalonians 4:16–17, as well as other passages in the Word of God, focusing on “His presence,” “His protection,” “His promises,” and “His provision.” Throughout his message were interludes of song with hymns of comfort being sung by those in attendance. Thomas R. Matrone from Central Assembly of God, Springfield, Missouri, served at the piano.

The names of those honored on the Memorial Scroll appear at the end of the minutes of the General Council on page 81.

General Superintendent's Medal of Honor

The General Superintendent's Medal of Honor was presented by the general superintendent to the following two outstanding laypersons:

J. E. "Joe" Martinez

A video was shown in which the general superintendent and Byron D. Klaus, president of Assemblies of God Theological Seminary, presented the General Superintendent's Medal of Honor posthumously to Joe Martinez in a presentation to his wife, Anne, who makes her home in California.

In his first letter to Timothy, the apostle Paul spoke of those who should serve the church as being men who proved themselves blameless, gained a good standing with others, and placed great confidence in faith that is in Christ Jesus.

Truly, J. E. "Joe" Martinez embodied these traits. A man of utmost integrity, Joe faithfully served the churches he attended in numerous ministry roles including deacon, treasurer, Sunday School teacher, youth advisor, and soloist. He served as a mentor to future ministers and Assemblies of God leaders, and as an adviser to his district and national leadership.

Joe actively served in several Assemblies of God churches, including 47 years as a member of First Assembly of God in Albuquerque, New Mexico, now known as Copper Pointe Church. During this time he served in numerous roles, including treasurer, church business administrator, and as a member of the board of directors. In its early days, the church was at times sustained by the faithful contributions of Joe and his family. Today, the church is a vibrant congregation of 2,600, reaching thousands for Christ.

Joe's former pastor and district superintendent R. Kenneth George states, "I found Joe to be a man of godliness, honor, and wisdom. Brother J. E. Martinez's loyalty and dedication set him apart as a beacon for others to follow."

Joe was a professor of civil engineering at the University of New Mexico in Albuquerque from 1947–1985. In a time when education and Pentecost were not always equated, he inspired many as a Spirit-filled, well-educated servant of the Lord.

Jesse Miranda, Jr., executive presbyter for the Language Area—West Spanish, says, "I was 8 years old when during an altar service in our church my mother placed her arm around me and whispered in my ear, 'Son, when you grow up, I want you to be an educated man.'"

She then pointed toward the altar and said, ‘That is an educated man.’ There, prostrate before the Lord, was Joe E. Martinez . . . I grew up knowing what my mother meant was that I was to be a man with a heart on fire and a mind ablaze. To this day, this is the image I carry of what it is to be an educated, Pentecostal man.”

Over the years, Joe served our Fellowship in several capacities including the Board of Directors for Evangel University, the Laymen’s Advisory Council to World Missions, and the Assemblies of God Theological Seminary Board of Directors. His spiritual leadership and contributions to the Assemblies of God Theological Seminary were keenly evident during his years of service on the board as the school launched a major capital campaign that resulted in new facilities.

Assemblies of God Theological Seminary (AGTS) President Byron D. Klaus states, “Wherever J. E. Martinez has been—in church supporting his pastor, living out his professional life with excellence, lending his maturity to the task of being a board member at AGTS—his life is one worth acknowledging, emulating, and honoring.”

The general superintendent declared, “For a life of faithfulness and service, bringing glory to God and to this Fellowship, it gives me great pleasure to posthumously confer upon Joe E. Martinez the church’s highest award for laypersons, the General Superintendent’s Medal of Honor.”

Due to Brother Martinez’s passing in May 2013, we are honored to have his widow, Anne, receive this award on his behalf.

Juleen Turnage

Juleen Turnage has given a lifetime of faithful service to God and to the Assemblies of God. She spent much of her early years in Branson, Missouri, where she attended First Assembly of God and fulfilled various ministry roles. Upon her graduation from Parkview High School in Springfield, she became a student at Central Bible Institute, later known as Central Bible College. At Central Bible College, she took a job as secretary to the dean, Robert E. Cooley, beginning her lifetime career with the Assemblies of God.

She later accepted a position as secretary to the president, J. Robert Ashcroft, and in 1968, assumed the role of news editor for the *Pentecostal Evangel*, serving under Editor Robert C. Cunningham.

In April 1977, Juleen was unanimously approved by the Executive Presbytery as the new director of public relations, becoming the first laywoman to head a national office at the Assemblies of God headquarters.

Over the next 35 years, Juleen would serve with distinction under four successive general superintendents: Thomas F. Zimmerman, G. Raymond Carlson, Thomas E. Trask, and George O. Wood.

Former Superintendent Thomas E. Trask says, “I can’t tell you how many times I had the privilege of sitting with her and hearing her input into a situation and knowing that you could count on the value of her input.”

Juleen served as the church’s official representative to the news media and directed all public relations functions. Her unswerving commitment to openness, truth, and integrity even in the most difficult of circumstances earned the respect of church leadership and media alike and the appreciation of ministers and church members across the nation.

Steve Grant, news anchor at NBC affiliate KY3 in Springfield says, “It is very simply her reputation and character. Her best self, integrity, and talents arrive in the room before she does and linger there well after she has departed. Everywhere, every time.”

Juleen has been trusted to lead many vital initiatives and fulfill key roles for the General Council. This includes helping to steer 18 General Council conventions, the Assemblies of God 75th Anniversary, and the 2000 Celebration. Those who work with her have come to appreciate her multiple giftings and organizational skills.

Juleen’s heart for the church and the causes of the Kingdom is evident in the many resources created during her tenure including: multimedia campaigns, numerous doctrinal brochures, and multiple print and e-mail communications. She saw the shifting times of communications and led the church into the digital age with an e-mail based news service called “AG NEWS.” She helped to establish a Web presence for the General Council, video sites such as AGTV, and social media pages like Facebook. Juleen believed the church should use every resource, tool, and vehicle available to communicate the message of Jesus Christ to every generation.

Juleen also is known in the greater Springfield community for selfless and effective service in numerous organizations and initiatives as well as her home church, Evangel Temple Assembly of God.

Her pastor, Charles D. Arsenault, calls her a “respected lady, above reproach,” who has served her Fellowship but also the religious and secular communities of her city—all while displaying a consistent lifestyle of highest integrity and Christian testimony.

The impact of Juleen’s ministry is far-reaching. More than 60 employees have served under Juleen during her 35 years in the Office of Public Relations. Many former staff members serve today around the world as pastors, missionaries, educators, journalists, and other professionals. Her influence extends beyond the national offices as she has invested in hundreds of future leaders and professionals as a public relations teacher at Evangel University.

Juleen’s desire to follow God’s leading has permeated all areas of her life and work. Her heart always has been to see a Spirit-led church communicate the good news of Jesus with character and conviction.

The general superintendent declared, “For a life of faithfulness and service, bringing glory to God and to this Fellowship, it gives me great pleasure to confer upon Juleen Turnage the church’s highest award for laypersons, the General Superintendent’s Medal of Honor.”

Juleen Turnage expressed her thanks and appreciation to her pastor, Charles D. Arsenault, Evangel Temple, Springfield, Missouri, for nominating her, and to the Executive Presbytery for honoring her in this way. She also expressed her thanks to her husband, Vance Turnage, her family, and most of all she thanked God for the leading in her life.

Thomas E. Trask, former general superintendent, offered a prayer of blessing on Juleen Turnage and her family.

Morning Worship Service

The general superintendent convened the morning worship service at 10:50 a.m. and introduced The Honorable John D. Ashcroft, former United States attorney general, who first offered special prayer for the persecuted Christians around the world. He introduced his wife, Janet Ashcroft, and brought a message in word and song by leading in “A Congregational Service of Scripture and Songs,” a reflection on Psalm 103:1–5. Joy Wootton, Springfield, Missouri, served at the piano for the congregational singing that was interspersed during his message and Scripture memorization. He taught the audience a gospel song that he wrote, “Yet Still He Crowns Me,” that expresses heartfelt wonder at God’s graciousness in saving unworthy sinners and in rewarding their efforts. The service concluded with him leading in a song about our Blessed Hope, “Come and Dine.”

Church Multiplication Network—Church Planters Awards

The chairman introduced Steven M. Pike, director of Church Multiplication Network, who presented the following church planter awards.

He recognized National Community Church, Washington, D.C., and Pastor Mark A. Batterson for opening the most parent affiliated churches (PAC churches) in the past year

with seven new churches. J. Kenneth Burtram, superintendent of the Potomac District Council accepted the award on behalf of Pastor Batterson.

Steven M. Pike recognized the Pennsylvania-Delaware District Council and its superintendent, Stephen R. Tourville, for opening the most churches in the past 2 years by planting thirty-two new churches.

The Willard E. Coleman Award, a special award for church planters who have persevered in a difficult planting situation, was presented to Dennis F. (Denny) and Cheryl Curran, pastors of River of Life Assembly of God in Cold Spring, Minnesota. River of Life Church has planted six churches and two granddaughter churches, and they plan to continue to plant more churches throughout rural Minnesota.

Special recognition was given to Brian C. and Mary Schmidgall, pastors of MiddleTree Church, Saint Louis, Missouri, who are the recipients of the Church Planter Award of Excellence, an award that represents someone who exemplifies church planting.

Schmidgall brought greetings and told that he is humbled by this election, but he is glad that God has given him this opportunity to help people. He shared his love for the Lord and for people, and he thanked the body for this opportunity to serve.

Resolution 6. Classifications of Ministry

Barbara L. Gilliam, member of the Resolutions Committee, presented Resolution 6 and moved its adoption. A motion prevailed to adopt Resolution 6 as follows:

WHEREAS, The General Council Bylaws Article VII. MINISTRY, Section 1. Ministry Described, specifies four classifications of ministry; and

WHEREAS, This description of the classifications of ministry has been assumed to be exclusive; and

WHEREAS, Questions have arisen as to whether the classifications of ministry in the General Council Bylaws Article VII, Section 1, are exclusive, thus preventing districts from recognizing additional classifications; and

WHEREAS, To allow district councils to create additional classifications of ministry would inevitably result in confusion and inconsistencies within the Fellowship; therefore, be it

RESOLVED, That General Council Bylaws Article VII. MINISTRY, Section 1. Ministry Described, page 117, which currently reads:

Christ's gifts to the Church include apostles, prophets, evangelists, pastors and teachers (Ephesians 4:11), exhorters, administrators, leaders, and helpers (Romans 12:7,8). We understand God's call to these ministry gifts is totally within His sovereign discretion without regard to gender, race, disability, or national origin.

Three classifications of ministry are recognized and transferable among all Assemblies of God districts: the ordained minister, the licensed minister, and the certified minister.

All ordained, licensed, and certified ministers holding current ministerial credentials are authorized to perform the ordinances and ceremonies (sacerdotal functions) of the church and those holding a local church credential as provided below.

A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated church under basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the district council. The local church credential shall be nontransferable (limited to the issuing local church) and shall be limited to 2 years unless the credential is solely required for active and ongoing local ministry in a prison, hospital, or institution. A person holding a local church credential can perform the ordinances and ceremonies (sacerdotal functions) of the church if authorized in writing by the senior pastor of the local church issuing the credential.

Be amended by inserting a new paragraph at the end of the section, with the amended section to read:

Christ's gifts to the Church include apostles, prophets, evangelists, pastors and teachers (Ephesians 4:11), exhorters, administrators, leaders, and helpers (Romans 12:7,8). We understand God's call to these ministry gifts is totally within His sovereign discretion without regard to gender, race, disability, or national origin.

Resolution 9. Ministerial Support—Dues Increase

Eric A. Treuil, member of the Resolutions Committee, presented Resolution 9 and moved its adoption. Warren D. Bullock, executive presbyter for the Northwest Area presented the rationale for this resolution.

A voice vote was taken and the chairman declared the resolution is adopted. A delegate questioned the decision of the voice vote and requested a visual vote. The chairman took a standing vote and declared the motion was passed and resolution 9 adopted. Resolution 9 as adopted follows:

WHEREAS, General Council Bylaws, Article VII. Ministry, Section 10, paragraph f states that ministers contribute to the work of the General Council in the amount of \$20 per month for ordained ministers, \$15 per month for licensed ministers, and \$7.50 per month for certified ministers; and

WHEREAS, There has been no increase in the minister's contributions since 2005; and

WHEREAS, There has been inflationary growth in the economy since 2005; and

WHEREAS, The financial support from ministers is a major source of income in assisting the national office to skillfully resource our Fellowship; and

WHEREAS, The expenses of the General Council have increased regularly since 2005; therefore, be it

RESOLVED, That General Council Bylaws, Article VII. MINISTRY, Section 10. Credential Renewals and Reinstatements, paragraph f. Support of the National Leadership and Resource Center, page 125, which reads:

f. Support of the National Leadership and Resource Center. The work of The General Council of the Assemblies of God, in its program of developing the spirit of cooperation and fellowship in U.S. and world missions fields, incurs considerable expense, including the financial support of the executive officers and offices.

Ordained ministers should recognize their obligation to contribute \$20 per month (\$240 per year) from their tithes, or as an offering. Licensed ministers should contribute \$15 per month (\$180 per year), and certified ministers should contribute \$7.50 per month (\$90 per year). All who can are strongly urged to give more than the suggested amount, either personally or through the assemblies they pastor.

Compliance with the above requirements shall be a prerequisite for renewal of credentials of all active ministers. If their contributions are in arrears, they shall be given opportunity to meet this deficit with their renewal.

Be amended to read:

Resolution 14. Relational Districts

Eric A. Treuil, member of the Resolutions Committee, presented Resolution 14 and moved its adoption. Jason P. Stidham, maker of the resolution, presented the rationale for this resolution.

Following discussion, a motion was moved and seconded to refer the matter to the Executive Presbytery to return a proposal that would be formed in a way as to eliminate some of the concerns that have been expressed. The chairman called for a voice vote to refer the resolution to the Executive Presbytery, and he indicated the decision could not be determined. The chairman called for a standing vote and declared the motion to refer the matter to the Executive Presbytery was lost.

Following further discussion, a motion was made and seconded to call for the previous question. A standing vote was taken and the chairman declared the motion carried to call for the previous question.

The chairman called for a standing vote to be taken for the main motion to adopt Resolution 14. The chairman declared the motion was lost. Resolution 14 as presented follows:

WHEREAS, The intent of the Assemblies of God is to see God's church grow through the developing of local congregations; and

WHEREAS, Current media and transportation developments have broken down previous limitations in time and space; and

WHEREAS, The Assemblies of God currently has ethnic/language districts that are based on a common cultural identity rather than geography; and

WHEREAS, A growing trend in the church today is multisite campuses; and

WHEREAS, The philosophy of ministry of a local church and its pastor causes it to associate with other like-minded churches and pastors across geographical boundaries; therefore, be it

RESOLVED, That General Council Bylaws Article V. DISTRICT COUNCILS, pages 112–114, be amended by the addition of a new Section 7. Relational Districts to read as follows:

Section 7. Relational Districts

b. Equality with geographical and ethnic/language districts.

This action shall be submitted to the officers of the district the congregation is leaving as well as the district it is joining. If either district has objection, the church shall have the right of appeal to the Executive Presbytery of The General Council of the Assemblies of God in accordance with the provisions of the Constitution (Article XI, Section 1, paragraph e. Right of Appeal.).

And, be it further

RESOLVED, That present sections 7 and 8 be renumbered as sections 8 and 9.

And, be it further

And, be it further

RESOLVED, That present subparagraph letter (c) be relettered as (d).

Remarks from the General Superintendent

The chairman expressed personal comments of his love for this Fellowship. He pled with the body to avoid the kind of thing that happened at Corinth, where we say, "I am of Cephas, I am of Paul, I am of Christ." He expressed his hope that in our evangelism methods, in our attempt to reach this culture, we are progressive and in our doctrine we are all conservative. He stated, "I enter this term and appeal to you as a body and as I look across this Fellowship: Let's own both words, all of us. Let us not have division among us where we see one as being progressive and another as being conservative. Let's not have pride in the use of the word *progressive*; let's not have pride in the use of the word *conservative*." He appealed to the body for everyone to do their dead-level best. He asked for forgiveness if he has wounded anyone in the body. The body responded with a standing ovation of applause.

The general superintendent led in prayer for God to help the Assemblies of God and prayed that God will use this Fellowship to be a shining light to the world to advance the ministry of the gospel.

The chairman expressed appreciation for the decorum of the floor, how each side expressed their opinion. This modeled what the church should do. He thanked everyone for the kind way in which this discussion was conducted.

A Word from The Lord

The business session was interrupted by a brother who said he felt the Lord's moving on his heart to give a message to this assembly. A message in tongues was given with another giving the interpretation. An extended time of worship, prayer, and singing along with a time of waiting on God followed.

Brian M. Bolt Testimony

The general superintendent introduced Brian M. Bolt, pastor of City Reach Church Pittsburgh in Pittsburgh, Pennsylvania, who gave his incredible personal testimony of coming to Christ and his call to church planting.

Introduction of Phil Vischer JellyFish Labs and Creator of VeggieTales

The general superintendent introduced Phil Vischer of JellyFish Labs and creator of VeggieTales who brought greetings and shared his personal testimony of growing up in church and wanting to do something that mattered for Christ. He told the story of his ministry venture and dream and how at one time he let pride get in the way of what God wanted to do. He stressed the importance of hearing from God every day and closed by leading in prayer.

Recess

The meeting recessed at 4:30 p.m. to reconvene at 8:45 a.m. on Friday, August 9, 2013.

THURSDAY EVENING—AUGUST 8

The Thursday evening service of the 55th General Council began at 7 p.m. in the Orange County Convention Center. The service began with an Olympic-style missionary parade, with hundreds of missionaries from Assemblies of God World Missions entering the hall in color-coordinated shirts with arms waving and smiling faces. General superintendent George O. Wood welcomed the delegates and attendees and told that the Assemblies of God was birthed in missions.

Iglesia El Calvario Worship Band from Orlando, Florida, led the congregation in worship, singing both in English and Spanish. A video of the theme “Any Price,” showing efforts of Assemblies of God World Missions around the globe, was shown and Gregory M. Mundis led in prayer for the offering. Thomas Chad Harvey, pastor of First Assembly of God, Raleigh, North Carolina, introduced speaker Gregory M. Mundis, executive director of Assemblies of God World Missions, followed by the Samoan Team from Lighthouse Outreach Center Assembly of God in Waipahu, Hawaii, with Jerad and Jovaun Woods who sang, “We Will Go,” an anthem for the evening.

Executive Director Gregory M. Mundis expressed thanks to all those who have given, prayed, and gone to help fulfill the Great Commission. He spoke of the present-day emphasis on partnerships, unreached people, and the suffering church, and declared that the current strategy of World Missions is built upon the “vision, passion, and purpose of our forefathers but is married to the leading of the Spirit in present-day realities.” His message was the story of a young man studying to become a monk who came upon a tract and went to Bible school instead of completing his Buddhist studies. The young man poured himself into witnessing and praying, casting out demons, and church planting in south Sri Lanka. He continued telling the young man’s testimony, saying the anonymous soldier paid the ultimate price and died a martyr, leaving behind a wife who continued his work despite opposition and persecution while raising their son. Although the persecution did not cease for 12 years after his death, his wife continued and would not abandon his church. That church has now planted six other churches and two preaching points in southern Sri Lanka. To date, more than 1,000 people have come to know Jesus because of the unwavering commitment of this couple. The executive director talked about the “chain of grace” that led to these results, from the writer of the tract to the supporters who prayed and gave to build the church. As he closed the message, the young man’s widow was led to the platform by the general superintendent of the Assemblies of God in Sri Lanka. Greg Mundis asked the congregation for an offering, not monetary but to offer oneself to share the gospel and be willing to lay one’s life on the line. He appealed for an army of harvest workers to bring in the harvest in the last days and invited those feeling the call to come for a prayer that was led by the widow. The service closed with a commissioning prayer.

FRIDAY MORNING—AUGUST 9

Zollie L. Smith, Jr., executive director of Assemblies of God U.S. Missions, opened the Friday morning business session at 8:47 a.m. and offered a prayer.

The chairman called the meeting to order at 8:50 a.m.

Resolution 11. Nonresident Executive Presbyters— Nominees under 40 Years of Age

Douglas M. Graham, member of the Resolutions Committee, presented Resolution 11 and moved its adoption.

A motion was moved and seconded to amend the resolution on page 37, lines 10 and 13, by adding the text “minister” and “ministers” following the words “ordained female” and “ordained females,” respectively, and to strike the letter “s” on the word “females.” The motion was carried to amend the resolution.

The motion was carried to adopt the amended Resolution 11 as follows:

WHEREAS, During the 2011 General Presbytery meeting in Phoenix, Arizona, a motion prevailed to request the Executive Presbytery to bring a report to the General Presbytery clarifying the term *pastor* as it pertains to executive presbyter nominees for the ordained pastor under 40 years of age; and

WHEREAS, This is the only nonresident executive presbyter nomination requiring the nominee to be a senior or lead pastor; and

WHEREAS, It is the *perspective* of the under 40 representative on the Executive Presbytery that is sought as much or more than the specific experience of being a senior or lead pastor; and

WHEREAS, The present limitation excludes qualified evangelists, educators, ministry specialists, and church staff members who are under 40 years of age from being nominated; and

WHEREAS, There would be value in the potential perspective and expertise of individuals who function in areas of ministry outside of being a senior or lead pastor; therefore, be it

FRIDAY EVENING—AUGUST 9

The combined youth and adults Celebration Service of the 55th General Council began Friday at 7 p.m. in the Orange County Convention Center. The final night of the 2013 General Council culminated in a celebration of the 50th year of Fine Arts Festival for the Assemblies of God and a challenge for students to reach their friends with the hope of the gospel. The evening began with an overture of “Blessed Assurance” given by the 50-member Fine Arts orchestra made up of current Fine Arts students and participants, under the direction of Jason P. Salazar, Springfield, Missouri.

Heath Adamson, director of Youth Ministries and senior ministry business director, welcomed the crowd of approximately 15,500 and told of the rich history of Fine Arts. He told that one does not have to be an actor or recording artist to be successful in the kingdom, “You simply need to say yes when the Spirit speaks.” Mark A. Lawley, Brookline Station, Missouri, directed a 100-person choir made up of current Fine Arts students and participants and featured former Fine Arts participant, Michael Neale, Franklin, Tennessee. Chester D. (Chet) Caudill, Jr., Student Missions director for Youth Ministries, reported on the results of two major outreaches that took place in Orlando, Florida, during the week.

The service included presentations from the top Fine Arts participants from across the nation, and Youth Ministries recognized award recipients in each category. District Youth Directors Joseph J. Vasquez, Orlando, Florida, and Albert M. Force III, Lakeland, Florida, led in prayer in both Spanish and English asking God to bring revival to this generation of students. Chet Caudill received an offering for Speed the Light to be used toward the purchase of tablets to train church planters in India.

General Superintendent George O. Wood closed the service by thanking the staff and volunteers who made the week possible, and he asked for people to stand who would commit to leading a Bible study with their friends within the next 30 days. He announced that Bible studies and daily video-based devotions will be made available to them. He said, “The future of this Movement lies in the young people of this Movement—Greater things are ahead!”

CONSTITUTION

Constitutional Declaration

WE BELIEVE:

That God's purpose concerning man is (1) to seek and to save that which is lost, (2) to be worshiped by man, (3) to build a body of believers in the image of His Son, and (4) to demonstrate His love and compassion for all the world.

That these believers, saved and called out of the world, constitute the Body or Church of Jesus Christ built and established upon the foundation of the apostles and prophets, Jesus Christ himself being the chief cornerstone.

That the members of the Body, the Church (*ecclesia*) of Jesus Christ, are enjoined to assemble themselves for worship, fellowship, counsel, and instruction in the Word of God, the work of the ministry, and for the exercise of those spiritual gifts and offices provided for New Testament church order.

That it is evident the early apostolic churches came together in fellowship as a representative body of saved, Spirit-filled believers who ordained and sent out evangelists and missionaries, and under the supervision of the Holy Spirit set over the church pastors and teachers.

That the priority reason for being of the Assemblies of God is to be an agency of God for evangelizing the world, to be a corporate body in which man may worship God, to be a channel of God's purpose to build a body of saints being perfected in the image of His Son, and to be a people who demonstrate God's love and compassion for all the world.

That the Assemblies of God exists expressly to give continuing emphasis to this reason for being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit, which enables them to evangelize in the power of the Spirit with accompanying supernatural signs, adding a necessary dimension to worshipful relationship with God, and enabling them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ.

That we are a cooperative fellowship of Pentecostal, Spirit-baptized saints from local Pentecostal assemblies of like precious faith throughout the United States to be known as The General Council of the Assemblies of God whose purpose is neither to usurp authority over the various local assemblies, nor to deprive them of their scriptural and local rights and privileges; but to recognize and promote scriptural methods and order for worship, unity, fellowship, work, and business for God; and to disapprove unscriptural methods, doctrines, and conduct, endeavoring to keep the unity of the Spirit in the bond of peace, "till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ" (Ephesians 4:13).

ARTICLE IV. PRINCIPLES FOR FELLOWSHIP

The Assemblies of God shall represent, as nearly as possible, the body of Christ as described in the New Testament. It shall recognize the principles inherent in the Body as also inherent in this Fellowship, particularly the principles of unity, cooperation, and equality. It recognizes that these principles will enable it to achieve its priority reason for being as an agency of God for evangelizing the world, as a corporate body in which man may worship God, as a channel of God's purpose to build a body of saints being perfected in the image of His Son, and to be a people who demonstrate God's love and compassion for all the world.

ARTICLE V. STATEMENT OF FUNDAMENTAL TRUTHS

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us (i.e., that we all speak the same thing, 1 Corinthians 1:10; Acts 2:42). The phraseology employed in this statement is not inspired or contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it contains all biblical truth, only that it covers our need as to these fundamental doctrines.

1. The Scriptures Inspired

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (2 Timothy 3:15-17; 1 Thessalonians 2:13; 2 Peter 1:21).

2. The One True God

The one true God has revealed himself as the eternally self-existent “I AM,” the Creator of heaven and earth and the Redeemer of mankind. He has further revealed himself as embodying the principles of relationship and association as Father, Son, and Holy Spirit (Deuteronomy 6:4; Isaiah 43:10,11; Matthew 28:19; Luke 3:22).

The Adorable Godhead

(a) Terms Defined

The terms *trinity* and *persons*, as related to the godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from “gods many and lords many.” We therefore may speak with propriety of the Lord our God, who is One Lord, as a Trinity or as one Being of three persons, and still be absolutely scriptural (examples, Matthew 28:19; 2 Corinthians 13:14; John 14:16,17).

(b) Distinction and Relationship in the Godhead

Christ taught a distinction of persons in the godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Spirit, but that this distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained (Luke 1:35; 1 Corinthians 1:24; Matthew 11:25-27; 28:19; 2 Corinthians 13:14; 1 John 1:3,4).

(c) Unity of the One Being of Father, Son, and Holy Spirit

Accordingly, therefore, there is **that** in the Father which constitutes Him **the Father** and not the Son; there is **that** in the Son which constitutes Him **the Son** and not the Father; and there is **that** in the Holy Spirit which constitutes Him **the Holy Spirit** and not either the Father or the Son. Wherefore, the Father is the Begetter; the Son is the Begotten; and the Holy Spirit is the One proceeding from the Father and the Son. Therefore, because these three persons in the godhead are in a state of unity, there is but one Lord God Almighty and His name one (John 1:18; 15:26; 17:11,21; Zechariah 14:9).

(d) Identity and Cooperation in the Godhead

The Father, the Son, and the Holy Spirit are never **identical** as to **person**; nor **confused** as to **relation**; nor **divided** in respect to the godhead; nor **opposed** as to **cooperation**. The Son is **in** the Father and the Father is **in** the Son as to relationship. The Son is **with** the Father and the Father is **with** the Son, as to fellowship. The Father is not **from** the Son, but the Son is **from** the Father, as to authority. The Holy Spirit is from the Father and the Son proceeding, as to nature, relationship, cooperation, and authority. Hence, no person in the godhead either exists or works separately or independently of the others (John 5:17-30,32,37; 8:17,18).

(e) The Title, Lord Jesus Christ

The appellation *Lord Jesus Christ* is a proper name. It is never applied in the New Testament either to the Father or to the Holy Spirit. It therefore belongs exclusively to the **Son of God** (Romans 1:1-3,7; 2 John 3).

(f) The Lord Jesus Christ, God With Us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is, therefore, acknowledged to be both God and man; who because He is God and man, is “Immanuel,” God with us (Matthew 1:23; 1 John 4:2,10,14; Revelation 1:13,17).

(g) The Title, Son of God

Since the name *Immanuel* embraces both God and man, in the one person, our Lord Jesus Christ, it follows that the title *Son of God* describes His proper deity, and the title *Son of Man*, His proper humanity. Therefore, the title *Son of God* belongs to the order of eternity, and the title *Son of Man* to the **order of time** (Matthew 1:21-23; 2 John 3; 1 John 3:8; Hebrews 7:3; 1:1-13).

CONSTITUTION

(h) Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the doctrine of Christ to say that Jesus Christ derived the title *Son of God* solely from the fact of the Incarnation, or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father, and that the Son is a real and eternal Son, is a denial of the distinction and relationship in the Being of God; a denial of the Father and the Son; and a displacement of the truth that Jesus Christ is come in the flesh (2 John 9; John 1:1,2,14,18,29,49; 1 John 2:22,23; 4:1-5; Hebrews 12:2).

(i) Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by himself purged our sins, sat down on the right hand of the Majesty on high, angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Spirit that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become subject to the Father that God may be all in all (Hebrews 1:3; 1 Peter 3:22; Acts 2:32-36; Romans 14:11; 1 Corinthians 15:24-28).

(j) Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the **express duty** of all in heaven and on earth to bow the knee, but it is an **unspeakable** joy in the Holy Spirit to ascribe unto the Son all the attributes of deity, and to give Him all the honor and the glory contained in all the names and titles of the godhead except those which express relationship (see paragraphs b, c, and d), and thus honor the Son even as we honor the Father (John 5:22,23; 1 Peter 1:8; Revelation 5:6-14; Philippians 2:8,9; Revelation 7:9,10; 4:8-11).

3. The Deity of the Lord Jesus Christ

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:

- a. His virgin birth (Matthew 1:23; Luke 1:31,35).
- b. His sinless life (Hebrews 7:26; 1 Peter 2:22).
- c. His miracles (Acts 2:22; 10:38).
- d. His substitutionary work on the cross (1 Corinthians 15:3; 2 Corinthians 5:21).
- e. His bodily resurrection from the dead (Matthew 28:6; Luke 24:39; 1 Corinthians 15:4).
- f. His exaltation to the right hand of God (Acts 1:9,11; 2:33; Philippians 2:9-11; Hebrews 1:3).

4. The Fall of Man

Man was created good and upright; for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Genesis 1:26,27; 2:17; 3:6; Romans 5:12-19).

5. The Salvation of Man

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

a. Conditions to Salvation. Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit, being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Romans 10:13-15; Ephesians 2:8; Titus 2:11; 3:5-7).

b. The Evidences of Salvation. The inward evidence of salvation is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness (Ephesians 4:24; Titus 2:12).

6. The Ordinances of the Church

a. Baptism in Water. The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Savior and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47,48; Romans 6:4).

b. Holy Communion. The Lord's Supper, consisting of the elements—bread and the fruit of the vine—is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4); a memorial of His suffering and death (1 Corinthians 11:26); and a prophecy of His second coming (1 Corinthians 11:26); and is enjoined on all believers “till He come!”

7. The Baptism in the Holy Spirit

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the enduement of power for life and service, the bestowment of the gifts and their uses in the work of the ministry (Luke 24:49; Acts 1:4,8; 1 Corinthians 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Spirit come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8), a deepened reverence for God (Acts 2:43; Hebrews 12:28), an intensified consecration to God and dedication to His work (Acts 2:42), and a more active love for Christ, for His Word, and for the lost (Mark 16:20).

8. The Initial Physical Evidence of the Baptism in the Holy Spirit

The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Corinthians 12:4-10,28), but different in purpose and use.

9. Sanctification

Sanctification is an act of separation from that which is evil, and of dedication unto God (Romans 12:1,2; 1 Thessalonians 5:23; Hebrews 13:12). Scriptures teach a life of “holiness without which no man shall see the Lord” (Hebrews 12:14). By the power of the Holy Spirit we are able to obey the command: “Be ye holy, for I am holy” (1 Peter 1:15,16).

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Romans 6:1-11,13; 8:1,2,13; Galatians 2:20; Philippians 2:12,13; 1 Peter 1:5).

10. The Church and Its Mission

The Church is the body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her Great Commission. Each believer, born of the Spirit, is an integral part of the general assembly and church of the firstborn, which are written in heaven (Ephesians 1:22,23; 2:22; Hebrews 12:23).

Since God's purpose concerning man is to seek and to save that which is lost, to be worshiped by man, to build a body of believers in the image of His Son, and to demonstrate His love and compassion for all the world, the priority reason for being of the Assemblies of God as part of the Church is:

- a. To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:19,20; Mark 16:15,16).
- b. To be a corporate body in which man may worship God (1 Corinthians 12:13).

CONSTITUTION

- c. To be a channel of God's purpose to build a body of saints being perfected in the image of His Son (Ephesians 4:11-16; 1 Corinthians 12:28; 14:12).
- d. To be a people who demonstrate God's love and compassion for all the world (Psalm 112:9; Galatians 2:10; 6:10; James 1:27).

The Assemblies of God exists expressly to give continuing emphasis to this reason for being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

- a. Enables them to evangelize in the power of the Spirit with accompanying supernatural signs (Mark 16:15-20; Acts 4:29-31; Hebrews 2:3,4).
- b. Adds a necessary dimension to a worshipful relationship with God (1 Corinthians 2:10-16; 1 Corinthians 12-14).
- c. Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ and care for the poor and needy of the world (Galatians 5:22-26; Matthew 25:37-40; Galatians 6:10; 1 Corinthians 14:12; Ephesians 4:11,12; 1 Corinthians 12:28; Colossians 1:29).

11. The Ministry

A divinely called and scripturally ordained ministry has been provided by our Lord for the fourfold purpose of leading the Church in: (1) evangelization of the world (Mark 16:15-20), (2) worship of God (John 4:23,24), (3) building a Body of saints being perfected in the image of His Son (Ephesians 4:11,16), and (4) meeting human need with ministries of love and compassion (Psalm 112:9; Galatians 2:10; 6:10; James 1:27).

12. Divine Healing

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the Atonement, and is the privilege of all believers (Isaiah 53:4,5; Matthew 8:16,17; James 5:14-16).

13. The Blessed Hope

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (1 Thessalonians 4:16,17; Romans 8:23; Titus 2:13; 1 Corinthians 15:51,52).

14. The Millennial Reign of Christ

The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zechariah 14:5; Matthew 24:27,30; Revelation 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezekiel 37:21,22; Zephaniah 3:19,20; Romans 11:26,27) and the establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8; Micah 4:3,4).

15. The Final Judgment

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matthew 25:46; Mark 9:43-48; Revelation 19:20; 20:11-15; 21:8).

16. The New Heavens and the New Earth

"We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness" (2 Peter 3:13; Revelation 21,22).

ARTICLE V. DISTRICT COUNCILS

Section 1. Formation of New Districts

a. Conference status. When there is potential for the development of a new district, the first step shall be the establishing of a conference that would be mentored by an assisting district(s) until the new district is capable of independent operation. Such conference shall function for a minimum of 2 years, or longer if so directed by the Executive Presbytery, prior to becoming a district unless an exception has been granted by the Executive Presbytery. The conference shall operate as directed by approved Executive Presbytery criteria.

b. Guidelines. Guidelines for establishing new districts shall include:

(1) A minimum of 40 Assemblies of God churches sponsored by an existing district and having voted to become a part of the new district at the beginning of the conference unless an exception has been granted by the Executive Presbytery.

(2) Size, maturity, and financial stability of the churches as to membership, leadership, and program ministries.

(3) The location, size, and potential growth of the geographical area under consideration.

(4) The effect the establishment of the proposed new district will have on other districts.

(5) Churches and ministers that have voted to become a part of the new conference shall be required to contribute one-third of their district tithes or dues to the new conference during the first year, two-thirds of their district tithes or dues to the new conference during the second year, and contribute the full amount of tithes or dues as determined by the newly established district during the third year and following.

c. Boundaries. The boundaries of the new district shall be determined by cooperative agreement between the district or districts geographically affected and the Executive Presbytery of The General Council of the Assemblies of God.

Section 2. The Role of the District

The district is primarily relationship based. The district should facilitate a network for resources and relationships and provide training for credentialed ministers and local churches. The district provides ministry events to the local church, such as camps, conferences, and retreats; and relates to the General Council affiliated churches in accordance with provisions of the Constitutional Declaration, Constitution Article XI, Bylaws Article VI, and the constitution and bylaws of the respective district council. The district oversees district affiliated churches in accordance with its own bylaws, and processes and recommends ministerial credentialing and discipline for its constituents.

Section 3. Officers

Each district council shall elect a superintendent, together with such other officers as may be deemed advisable by the district membership, such as, assistant superintendent, secretary-treasurer, and presbyters. A district superintendent or any other elected officer may serve other than full time at the discretion of the district council.

Section 4. Voting Constituency

The voting constituency shall consist of all ordained and licensed ministers, and accredited delegates from affiliated churches, and such other persons as may be prescribed by the district constitution and bylaws, who are present and registered at district meetings.

c. Cooperative relationship. Both the language/ethnic district and the geographical district shall seek to promote a spirit of fellowship and cooperation. The language/ethnic district officers and the geographical district officers should inform or consult with each other concerning the opening of new language works or institutions of any kind, in a given area. It is strongly recommended that the language/ethnic district and the geographical district appoint representatives to serve with their respective presbyteries to provide and encourage cooperative strategies and relationships. The language churches, whether members of a geographical or language/ethnic district, are encouraged to unite where possible, in fellowship activities.

d. Sponsorship and affiliation of a language/ethnic group. Should an English-speaking church desire to initiate sponsorship of a language/ethnic group or a language/ethnic church desire to initiate sponsorship of an English-speaking group, it shall consult with its district officials for counsel and guidance. The respective districts/fellowships should inform their counterparts concerning the beginning of such churches. The sponsoring church may provide facilities and support to such a work through its district U.S. missions department. Such an effort may be initiated with the objective in mind that it will develop into an Assemblies of God church. When such a church reaches as many as 20 adult members, unless an exception has been granted by a district in accordance with the provisions of General Council Constitution Article XI, Section 1, paragraph a, subparagraph (3), it may then seek affiliation with a district of its choice following prescribed guidelines as outlined in these Bylaws.

e. Church transfer procedure. When a church desires to transfer from a language/ethnic district to the geographical district in which it is located or from a geographical district to a language/ethnic district, a church business meeting shall be called and the minutes of said meeting shall reflect the action authorized by the congregation. This action shall be submitted to the officers of the language/ethnic district and the geographical district. If either district has objections, the church shall have the right of appeal to the Executive Presbytery of The General Council of the Assemblies of God, in accordance with the provisions of the Constitution (Article XI).

BYLAWS

b. General Presbytery prerogative. Dissolution of a district shall be the prerogative of the General Presbytery of The General Council of the Assemblies of God.

Section 8. Language/Ethnic Fellowships

Language/Ethnic groups may be authorized by the Executive Presbytery, in accordance with Executive Presbytery criteria, to form a fellowship of churches. The fellowship shall exist for the purpose of exchanging information, facilitating evangelism, and establishing churches. Although functioning as a fellowship, the ethnic churches shall remain affiliated with the appropriate district. When a language/ethnic group recognized by the Executive Presbytery functions as a fellowship and represents a specific number of churches determined by and within a district, a presbyter shall be appointed or elected from the language/ethnic fellowship to represent the language/ethnic fellowship within a district. Leadership for the fellowship groups shall be approved by the Executive Presbytery.

ARTICLE VI. ASSEMBLIES

Section 1. Procedure for Affiliation

It shall be the responsibility of the district presbytery to determine when an assembly has reached a state of growth, stability, and maturity qualifying it for affiliation with The General Council of the Assemblies of God. Qualifications shall include a minimum active voting membership of 20 persons, unless an exception has been granted by the district in accordance with the provisions of General Council Constitution Article XI, Section 1, paragraph a, subparagraph (3). The assembly shall have matured to a point where a sufficient number of qualified persons are available for the offices called for in its constitution and bylaws.

Recognition of affiliation shall occur upon receipt by the assembly of an official Certificate of Affiliation issued by the general secretary. In the event an application for affiliation is declined by a district presbytery, appeal may be made by the church to the General Council Executive Presbytery whose decision shall be final.

Section 2. Annual Report and Offerings From Assemblies

a. Annual Church Ministries Report. Each church of the Assemblies of God is requested to keep a current record of its membership and to report this information annually, on forms provided, to the office of the district secretary and the General Council secretary.

ARTICLE VI

b. Fellowship Partners Offering. It is recommended that each church send to the General Council at least one offering for each calendar year toward the support of the administrative offices of the General Council. This offering shall be called Fellowship Partners offering, and shall be included with the Annual Church Ministries Report. It is suggested that each church's minimal offering be based upon its average Sunday morning attendance. A church averaging less than 50 is asked to send \$25 for the year; less than 100 but more than 50, \$50; less than 250 but more than 100, \$100; less than 500 but more than 250, \$250; less than 1,000 but more than 500, \$500; less than 2,000 but more than 1,000, \$1,000; over 2,000, \$2,000.

c. Assemblies of God Total Giving

(1) *Participation.* In order to support and develop the work and ministries of the Assemblies of God at home and abroad, all its churches are encouraged to send offerings at regular intervals.

(2) *Combined report.* A combined report of all offerings that are designated for departments shall be given under the caption of Assemblies of God Total Giving. The intent is to provide recognition for contributions to all ministries of The General Council of the Assemblies of God, to place each appeal and ministry on an equal basis, and to lend encouragement to churches and individual contributors to determine the appeal to which they will respond under the leading of the Spirit.

(3) *Credit.* Assemblies of God Total Giving recognition shall provide credit to Assemblies of God churches for contributions to the Fellowship Partners plan for support of the General Council; Assemblies of God World Missions, Assemblies of God U.S. Missions, Benevolences Ministries, Christian Higher Education (including educational institutions), Church Ministries (including men's, women's, church music, youth, and senior adults), General Administration (including executive and Spiritual Life offices), other General Council, regional, and district-sponsored or approved projects, and parent churches for satellite startup costs, up to 6 months, including property (facilities and equipment), promotion, personnel (pastoral selection and moving expenses). Contributions from districts other than where a district-approved project is located can be granted Assemblies of God Total Giving credit only if the district where the contribution originates gives its approval and if the contribution is channeled through that district or the National Leadership and Resource Center. It is expected that the National Leadership and Resource Center division or department related to a given project will be notified of approved projects. It is also understood that no district or region may receive Assemblies of God Total Giving credit for projects specifically disapproved by the General Council.

Section 3. Safeguarding the Assemblies

a. Pastors and leaders of assemblies should make proper investigation of persons who seek to gain entrance to teach, minister, or pastor. Use of the platform should be denied until spiritual integrity and reliability have been determined. It is recommended that Assemblies of God churches use Assemblies of God ministers since the use of non-Assemblies of God ministers may bring confusion and problems detrimental to the Fellowship.

b. No minister dismissed by the Assemblies of God may be allowed to pastor or have ministry in an Assemblies of God church. Pastors and district officials should maintain an exchange of information regarding dismissed ministers known to be seeking ministry in our assemblies.

Section 4. Relationships Between Churches, District Councils, and the General Council

a. Nature. General Council affiliated churches are deemed to be sovereign, autonomous, self-governing, and self-determining bodies which have, by their sovereign, self-determining action in making application for and receiving recognition as a General Council affiliated church, entered into an agreement with the Fellowship to be amenable to the General Council and district council in matters of doctrine and conduct. (See Constitution, Article XI, Section 1, paragraph d.)

BYLAWS

b. Relationships. Cooperative fellowship describes both the relationship that exists between local churches and their relationships with the district councils and the General Council.

c. Organizational assistance. The services of both the General Council and district council are available to assist the General Council affiliated church in dealing with any of its problems, either internal or external, when requested by the pastor or a majority of the official board of the church or a petition signed by 30 percent of the voting members, with the petitioning process and delivery to the district council taking no more than 30 days in total to complete. When district officers receive such requests, it is recommended they first verify that scriptural principles of reconciliation, such as those found in Matthew 18:15–17 and 1 Timothy 5:19, have been reasonably attempted by the requesting party in situations involving interpersonal conflict. District officers shall respond by investigating problems and, if necessary, recommending remedial actions to the responsible district governing entity, (e.g., district presbytery or district executive presbytery). At its discretion, that governing entity may act to bring the church under district supervision and, when necessary, revert it from General Council status to district affiliated status until the governing entity considers the problem resolved.

d. Preservation of affiliation. In the event the termination of affiliation with The General Council of the Assemblies of God is under consideration by an affiliated assembly, the pastor or board shall invite the district officers to participate in a specially called business meeting where such matters will be discussed and voted upon for the express purpose of giving the district officers the opportunity to present the case for continued General Council affiliation. A decision to disaffiliate shall require a two-thirds vote of the membership, or a more restrictive rule prescribed by the governing documents of the church or district. In the case of a previously existing church which later affiliated with the Fellowship through a vote of its membership, the percentage required to disaffiliate shall not exceed the percentage required when the church voted to affiliate.

Section 5. Guidelines for Minimal Membership for General Council Affiliated Assemblies

If a General Council affiliated church is unable to meet any of the criteria for affiliation as set forth in the Constitution, Article XI, Section 1, paragraph a, it shall seek the assistance of the district officers for help in maintaining the minimal requirement for General Council affiliation. The district may use any means prescribed by its bylaws to assist the church in returning to a position of strength. If the minimal requirements have not been attained, the church shall revert to district affiliated status until the minimal requirements for General Council affiliation have been attained, unless an exception has been granted by the district in accordance with the provisions of General Council Constitution Article XI, Section 1, paragraph a, subparagraph (3).

Section 6. New Assemblies

The planting of new churches shall be a priority goal of The General Council of the Assemblies of God. Resources at all levels shall be aligned to accomplish this purpose. Initiative for establishing new churches and the oversight of those churches may emanate from local assemblies, sections, and district councils. District presbyteries, sectional committees, or the authorities within a district charged with the responsibility of approving new churches shall not prohibit the planting of new churches unless a compelling reason exists. If it is determined that a compelling reason exists, a minister or local church desiring to plant the church shall have the right to appeal to their district presbytery or authorities within a district charged with the responsibility of approving new churches, and the decision of the district may be appealed to the General Council Executive Presbytery, whose decision shall be final.

Section 7. Assemblies Resulting From a Division

a. Status of assembly. When efforts to maintain unity and harmony in an assembly have failed, and a division results in a new congregation being formed, the district should exercise strong and wise leadership in ascertaining the facts and seek to preserve Assemblies of God adherents for the Fellowship. Within the bounds of ethical principles, sound doctrine, and district policy, all districts should seek to retain any meritorious group within the Assemblies of God.

b. Status of minister. Circumstances in each case will determine whether the minister should be disciplined or denied ministry in either the original church or the dissident group, or even residency in the area where the division occurred. If a minister is guilty of inappropriate conduct resulting in a division, the district presbytery shall deal appropriately with the minister as provided in Article X, Section 3, of the Bylaws.

Section 8. Transfer of Local Church Membership

a. Letter of introduction. It is recommended that members request a letter of introduction from the church of which they are a member to be sent by mail to the church with which they desire to affiliate.

b. Acknowledgment of transfer. It is recommended that the receiving church shall give an acknowledgment of transfer to the former church.

ARTICLE VII. MINISTRY

Section 1. Ministry Described

Christ's gifts to the Church include apostles, prophets, evangelists, pastors and teachers (Ephesians 4:11), exhorters, administrators, leaders, and helpers (Romans 12:7,8). We understand God's call to these ministry gifts is totally within His sovereign discretion without regard to gender, race, disability, or national origin.

Three classifications of ministry are recognized and transferable among all Assemblies of God districts: the ordained minister, the licensed minister, and the certified minister.

All ordained, licensed, and certified ministers holding current ministerial credentials are authorized to perform the ordinances and ceremonies (sacerdotal functions) of the church, and those holding a local church credential as provided below.

A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated church under basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the district council. The local church credential shall be non-transferable (limited to the issuing local church) and shall be limited to 2 years, unless the credential is solely required for active and ongoing local ministry in a prison, hospital, or institution. A person holding a local church credential can perform the ordinances and ceremonies (sacerdotal functions) of the church if authorized in writing by the senior pastor of the local church issuing the credential.

No other classification of ministry shall be recognized other than those described in this section.

Section 2. Basic Qualifications

The following qualifications pertain to all applicants for ministerial recognition:

a. Salvation. Testimony to having experienced the new birth (John 3:5).

b. Baptism in the Holy Spirit. Testimony to having received the baptism in the Holy Spirit with the initial physical evidence of speaking in other tongues according to Acts 2:4. The Spirit-filled life will enable a minister to fulfill the fourfold mission of the church (Constitution, Article V, paragraph 10).

BYLAWS

c. Evidence of call. Clear evidence of a divine call to the ministry, evidenced by a personal conviction, confirmed by the work of the Spirit and the testimony of fellow ministers.

d. Christian character. A blameless Christian life and a good report of those who are without (Titus 1:7; 1 Timothy 3:7).

e. Doctrinal position. A thorough understanding of and agreement with our doctrinal position as contained in the Statement of Fundamental Truths.

f. Assemblies of God polity. A satisfactory working knowledge of the principles, practices, and purposes of the Fellowship through a study of the General Council and district council Constitution and Bylaws.

g. Voluntary cooperation and commitment to the Fellowship. An active loyalty to our constitutional agreements, a cooperative spirit, and a readiness to seek and receive the counsel of older mature Christians and those in positions of authority.

By voluntary it is meant that, upon learning the principles, doctrines, and practices of the Assemblies of God, and by seeing the benefits to be derived from being associated with such an organization, persons of their own free choice decide to become members, thus subscribing to all that for which the organization stands.

For the minister, by cooperation, it is meant, to the best of one's ability, complying with all decisions setting forth and defining duties and responsibilities incumbent upon members of the organization. It includes active participation and respect for the will of the majority expressed through constitutional processes.

Hence, for the minister, voluntary cooperation means that when the minister decides to become a cooperating member of the Assemblies of God, this cooperation and participation thereby becomes obligatory and not optional.

h. Basic education requirements. Any level of formal academic achievement (diploma or degree) shall not be a requirement for credentials; however, credential applicants shall meet the following criteria:

(1) All applicants are required to be interviewed by the district credentials committee and, in preparation for the interview, pass a standard exam approved by the General Presbytery whereby they demonstrate knowledge of the Bible, Assemblies of God doctrines, and ministerial practices; and either

(2) Successfully complete equivalent training to that indicated in paragraph (3) below, preferably, in an endorsed Assemblies of God postsecondary school; or in a seminary, college, Bible college, or school approved by the district credentials committee consistent with criteria established by the General Council Credentials Committee; or

(3) Successfully complete courses, prescribed by the General Presbytery, offered in correspondence through Global University of the Assemblies of God, or pass the final examinations in the prescribed courses; or

(4) Be recommended by a district credentials committee as qualifying for credentials through self-study and ministerial experience. Such candidates shall have a proven and fruitful ministry of substantial duration. Requests from a district for such a candidate shall be presented to the General Council Credentials Committee and may be granted on a case-by-case basis.

i. Mandatory screening. All applicants for ministerial credentials shall be screened through a designated screening agency established by the Executive Presbytery. Said screening shall be done by the district council prior to the submission of the application to the office of the general secretary.

ARTICLE VII

j. Marriage status. We disapprove of any married persons holding ministerial credentials with the Assemblies of God if either marriage partner has a former spouse living, unless the divorce occurred prior to his or her conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15), except as hereinafter provided.

k. Ecclesiastical annulments and marriage dissolutions. The Executive Presbytery shall have the authority to determine whether an applicant qualifies for an ecclesiastical annulment. In such cases there must be clear and satisfactory evidence of deception, fraud, or other conditions which have a profound impact preventing the creation of a valid marriage union, unknown at the time of marriage by the applicant. The Executive Presbytery shall have the authority to determine whether an applicant qualifies regarding a former marriage when the termination of that marriage is consistent with the scriptural position of the Fellowship relating to the granting or holding of ministerial credentials; or if a former marriage ended prior to conversion. In those cases involving preconversion divorce they shall be decided on an individual basis just as those that deal with ecclesiastical annulments. Appeals from the decisions of the Executive Presbytery may be made to the General Presbytery.

l. Eligibility of women. The Scriptures plainly teach that divinely called and qualified women may also serve the church in the ministry of the Word (Joel 2:29; Acts 21:9; 1 Corinthians 11:5). Women who meet the qualifications for ministerial credentials are eligible for whatever grade of credentials their qualifications warrant and have the right to administer the ordinances of the church and are eligible to serve in all levels of church ministry, and/or district and General Council leadership.

m. Ministers from other organizations. If a minister from another reputable body desires to affiliate with the Assemblies of God, the credentials committees of both the General Council and the district councils are under no obligation to accept the applicant's previous ministerial status, but will judge each candidate on his or her own merits as to the level of credentials to be granted. Such applicants shall be required to:

- (1) Conform to Assemblies of God criteria for recognition.
- (2) Complete an application for ministerial recognition.
- (3) Submit a letter of recommendation from a neighboring Assemblies of God minister or the sectional presbyter for the applicant's area.
- (4) Submit a recommendation from the body with which the minister was formerly affiliated. If such is not available, letters of recommendation should be sought from three reputable ordained ministers who are familiar with the applicant's ministry, two of whom should be with the applicant's former credentialing body.
- (5) Take the credential examination.
- (6) Complete such courses as may be prescribed by the General Presbytery for ministers transferring from other credentialing bodies.
- (7) Meet with the district credentials committee for an oral interview.
- (8) Be recommended by the district credentials committee for action by the General Council Credentials Committee.
- (9) All previously ordained ministers so approved shall receive recognition as ordained Assemblies of God ministers with the laying on of hands by the district presbytery. All other applicants so approved shall receive the appropriate level of credential recognition.
- (10) Ministers who receive Assemblies of God recognition shall relinquish their ministerial credentials with any other organization, unless an exception is granted by the General Council Credentials Committee upon recommendation of a district council credentials committee for a minister serving as a missionary in this country who holds a credential with a member body of the World Assemblies of God Fellowship, or in special and/or unique cases as determined by the General Council Credentials Committee.

BYLAWS

Section 3. Specific Qualifications

a. Residency requirements of applicants. Applicants for all credentials must be residents of or hold credentials in the district where they make application and appear before its credentials committee.

b. Local church credential. A local church credential shall be administered by the local church pursuant to basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the district council. It shall be non-transferable (limited to the issuing local church).

c. Certified minister.

(1) *General requirements.* They shall show promise of usefulness in the gospel work. They shall devote full or part time to Christian ministry and, at the discretion of the district credentials committees, may remain under the supervision of a pastor or a ministry coach or mentor. They shall show evidence of a divine call and be actively engaged in some aspect of ministry and proclamation of the gospel, except in case of ill health or advanced age.

(2) *Pastoral requirements.* In the event a certified minister is serving in a position as the pastor, he or she shall be expected to advance to the ministry license level within 2 years of acceptance of the pastorate. This shall not apply to any minister who has reached the age of 65 or older, or whose certificate has been issued on a provisional basis. Any exceptions shall be at the discretion of the district credentials committee.

(3) *Exception for provisional issuance.* A Certificate of Ministry may be issued on a provisional basis to a person who has not met all the credentialing requirements but who is deemed by the district credentials committee to be essential to the continuity of a church or a ministry. The reason for such a provisional issuance must be ministry driven, and the justification for its use is terminated when the minister ceases to be involved in the ministry for which it was initially granted unless the minister accepts another qualifying assignment. Other limitations are:

(a) The ministry certificate on a provisional basis will be issued for 1 year and shall not be renewed more than two times.

(b) A person who has been granted the Certificate of Ministry on a provisional basis must meet the qualifications for a ministry certificate within a 3-year period.

d. Licensed minister. Qualifications for license shall include clear evidence of a divine call, character and preparation suitable for that calling, practical ministry experience, and an evident purpose to devote one's life in service to the proclamation of the gospel.

e. Ordained minister. Qualifications for ordination are outlined in the New Testament (1 Timothy 3:1-7; Titus 1:7-9). In addition:

(1) Applicants must be 23 years of age or older.

(2) They must have met all the requirements in making application and in completing the prescribed application form.

(3) No person may be ordained to the ministry until he or she has shown evidence of a divine call and has held a ministry license and has been actively engaged in ministry and proclamation of the gospel for at least 2 full consecutive years immediately prior thereto.

(4) *Residency requirements of applicants.* Applicants must be residents of or hold credentials in the district where they make application and appear before its credentials committee. District councils are required to refrain from approving any applicant for ordination who may have been licensed in another district, until such licensed minister shall have been a member of the district in which he or she is seeking ordination at least 1 year. Applicants who have not been a member of the district where they apply for ordination for 2 full consecutive years must meet the requirements and secure the endorsement of the officers of the district in which they were previously licensed, as well as the district of their residence.

ARTICLE VII

(5) *Exceptions to requirements.* The General Council Credentials Committee, upon request by a district credentials committee and where exceptional circumstances exist, may waive the requirements for an applicant holding a ministry license for 2 full consecutive years or being a member of the district in which he or she is seeking ordination for at least 1 year.

(6) In order to maintain active status, ordained ministers shall be engaged in viable ministry and proclamation of the gospel except for cases of disability, retirement, or other valid circumstances as determined by the general secretary.

Section 4. Action of Credentials Committee

The General Council Credentials Committee delegates to the district councils the authority to examine, approve, and recommend candidates who qualify as certified ministers, licensed ministers, and ordained ministers. Final approval and issuance of the ministerial credential shall be made by the General Council Credentials Committee. All ordination services, with the laying on of hands, shall take place under the auspices of the district councils.

Section 5. Certificates

The General Council Credentials Committee is authorized to issue ordination certificates, ministry licenses, and certified ministers certificates, together with the accompanying annual fellowship card, to all properly qualified and approved candidates.

Section 6. Official List

a. Active ministers. The official list of all credential holders shall be compiled by the General Council Credentials Committee and published for the convenience of the Fellowship, with the understanding it is not to be used for purposes of solicitation. This official list shall be revised annually and shall contain the names of those who are engaged in active ministry and whose credentials have been renewed by the issuance of a fellowship card for the current year.

b. Inactive or disabled ministers. All credentialed ministers who shall withdraw from active ministry or shall cease to engage in pastoral, evangelistic, or other full-time ministry, shall be expected to notify the district office, which shall inform the general secretary who shall then be authorized to transfer the names of such persons to the inactive list, unless the district of which said person is a member requests otherwise by letter.

(1) *Definition.* All ministers who have not been actively engaged in viable ministry and proclamation of the gospel over a period of 1 year shall have their names placed upon the inactive list for the following year.

(2) *Removal of inactive ministers from ministerial list.* When a minister is inactive for 2 or more consecutive years, his or her name shall be eliminated from the ministerial list, unless the credentials committee of the district of which said person is a member requests otherwise by letter.

(3) *Exceptions.* This shall not apply to those whose inactivity has been caused by infirmity; or those engaged in other aspects of full-time ministry such as the National Leadership and Resource Center or district workers, educators, ministers of music, ministers of youth, and ministers of Christian education; or those who have reached the age of 60 years; or those ministers who have had 25 years of approved service as credentialed ministers, or those whose spouse is disabled or has retired giving them little opportunity for public ministry.

(4) *Ministers with disabilities.* Ministers with permanent disability or illness, which prevents them from engaging in active ministry, shall be indicated as disabled. The credential status of the minister shall remain unchanged. The annual renewal of his or her credentials shall take place in the regular manner. Ministers with disabilities thus approved by their district shall not have further obligation of financial support to the General Council.

BYLAWS

c. Restoration to active status. Should the minister at any time return to active ministry, his or her name may be restored to the active list upon application bearing endorsement by the district officary.

Section 7. Senior Ministers

In respect and honor to those ministers who have given years of service to the Fellowship, senior status shall automatically be given to all credential holders who have reached the age of 65, whether or not they continue in full-time ministry.

a. Terminology

(1) The term *senior-active* shall be used for credential holders who continue to serve more than half-time in the ministry.

(2) The term *senior-semiretired* shall be used for credential holders who continue to be active, but for half-time or less.

(3) The term *senior-retired* shall be used for those who have ceased to engage in any regular appointed ministry.

b. Application for retired category. Senior-semiretired and senior-retired status shall be granted only to those ministers who filed a request for such status with their district office. The district secretary shall forward annually to the general secretary a list of those ministers who have made these requests.

c. Guidelines

(1) *Reports.* Senior-active and senior-semiretired ministers shall continue to file their annual reports and pay the General Council portion of their tithes in the regular manner. Senior-retired ministers shall file an abbreviated report to maintain a correct address file for mail and insurance purposes.

(2) *Sources of income.* These designations and guidelines shall apply regardless of whether the senior minister's income is from ministry, from retirement plans or Social Security payments, or from investments or other employment.

(3) *Designation in publications.* No distinguishing mark shall accompany the listing of senior-active in the official publications of the Assemblies of God, but may be so indicated in the working lists used for insurance and retirement purposes. Senior-semiretired and senior-retired ministers shall have this status indicated in the *Official List of Assemblies of God Ministers*.

(4) *Support of General Council National Leadership and Resource Center.* Senior-active and senior-semiretired ministers shall continue to designate the required amount of support to the General Council National Leadership and Resource Center as set forth in Bylaws, Article VII, Section 10, paragraph f. Senior-retired ministers shall be free to distribute as they desire the portion of their tithes previously paid to the General Council.

d. Aged Ministers Assistance. It is recommended that all Assemblies of God churches contribute regularly to provide assistance to aged ministers who are in need of financial assistance. Assistance shall be made available to ordained ministers of the Assemblies of God and to their widows, because of age or physical infirmity, and for whom no other means of support is available. Eligibility shall be determined on the following basis:

(1) *Ministerial requirement.* The applicant shall have been an ordained minister in good standing and have held credentials for at least 10 years immediately prior to retirement.

(2) *Age requirement.* The applicant shall have reached the age of 65 in the case of an ordained minister, or 60 in the case of a spouse of a minister.

(3) *Disability requirement.* Ministers who have been disabled to the extent that they cannot perform their ministerial duties shall also be eligible to make application.

(4) *Financial cooperation requirement.* The record of the applicant shall indicate that he or she has complied with the approved financial plans of the district council and The General Council of the Assemblies of God.

ARTICLE VII

(5) *District endorsement requirement.* Unqualified endorsement must be given by the district officers.

e. Limitations of this Section 7

(1) *For General Council usage only.* The definitions and decisions included in Section 7 apply only to General Council usage and are not binding upon the various districts, nor to the official legislation under which their members serve.

(2) *Other financial responsibility not circumvented.* No part of Section 7 is intended to modify the responsibility of ministers to their districts nor to terminate the biblical responsibility for tithing.

Section 8. Ministerial Relations

a. Amenability. All certified, licensed, and ordained ministers shall be amenable to both the district council and The General Council of the Assemblies of God in matters of doctrine and discipline. (See Bylaws, Article X.) All local church credential holders shall be amenable to their local church under guidelines established by the General Presbytery and district council in matters of doctrine and discipline. (See Bylaws, Article VII, Section 1.)

b. Affiliation with district of residence. All credential holders shall be expected to affiliate with the district council within the boundaries of which they reside and work in cooperation with the same.

(1) *Exception.* Ministers who reside in one district but pastor or serve on the staff of a church located in another district shall be required to be a member of the district in which the church is located.

(2) *Nationally appointed U.S. missionaries.* Nationally appointed U.S. missionaries shall become members of the district in which they serve and shall be listed on the ministerial roster of that district by the office of the general secretary. They may also retain honorary membership in their home district, be listed as a missionary under national appointment in the home district's yearbook, and be extended voice and vote in their home district while on official furlough.

(3) *Church-planting ministries.* Ministers who serve in a transdistrict ministry related to church-planting efforts may do so provided:

(a) They have a scope of ministry which reaches beyond district boundaries; and

(b) Both districts agree to the assignment; and

(c) If the assignment involves a language group, they follow the guidelines provided by the Executive Presbytery of the General Council and adhere to these Bylaws governing interdistrict relations. (See Bylaws, Article V, Section 6.)

Church planters holding credentials may obtain affiliation with the district they intend to serve and retain honorary membership in their home district, be listed in the home district's yearbook, and be extended voice and vote in their home district for such time as they serve in another district. The financial responsibilities shall be the same as those of a nationally appointed U.S. missionary. [See Bylaws, Article VII, Section 8, paragraph c, subparagraph (3).]

c. Cooperation with other districts. Ministers shall be expected to cooperate with other district councils in which they may labor temporarily. It is recommended as a standard of proper practice that all ministers conform to the financial policy of the district with which they are affiliated with the following exceptions:

(1) *Financial responsibility of world missionaries.* World missionaries will be obligated to pay \$25 per month to their home district when resident in the U.S. and \$10 per month when resident on their fields.

(2) *Financial responsibility of chaplains.* All chaplains, military and institutional, will be obligated to their home district in the amount of 10 percent of their tithes from income earned from the chaplaincy. All chaplains are also encouraged to make voluntary contributions to the district in which they fulfill their assignments.

BYLAWS

(3) *Financial responsibility of nationally appointed or approved U.S. missionaries.* Nationally appointed or approved U.S. missionaries shall contribute 25 percent of their tithe to their member district where they serve and 25 percent of their tithe to their home district if they are listed as honorary members. Missionaries who minister in their home district shall contribute a minimum of 50 percent of their tithe to that district.

Section 9. Transfer of Credentials

a. Certificate of transfer. When a member minister takes up residence in another district, a certificate of transfer shall be issued within 60 days by the district of which he or she is a member, unless there are charges pending against the minister. The certificate of transfer shall be accepted by the district into which the minister moves. Exceptions may be made for the following:

(1) Ministers moving to serve at the Assemblies of God National Leadership and Resource Center.

(2) Those who have attained the age of 60 and are no longer engaged in active ministry and those who have attained the age of 65 and are not pastoring a church.

(3) Those who are in the Armed Forces currently on active duty.

(4) Those who are serving on the staffs of schools affiliated with the General Council and district council or nonaffiliated schools acceptable to the General Council and the district council in which the school is located.

(5) Those who are appointed U.S. missionaries or world missionaries who are on furlough or on temporary assignment in the United States and reside in a district other than their home district.

(6) Ministers having membership in one district and a mailing address only in another district.

(7) Students in schools outside their home districts.

(8) Those who are serving in a non-Assemblies of God institution providing:

(a) They have a regular scope of ministry which reaches beyond district boundaries.

(b) Both districts agree to the exception.

(c) The institution is acceptable to both districts.

(9) Church planters involved in transdistrict ministry.

b. Transfers from Assemblies of God World Fellowship. A minister holding ordination (or equivalent) with a member group of the Assemblies of God World Fellowship may transfer his or her ordination to The General Council of the Assemblies of God if the following criteria are met:

(1) A letter of recommendation from the executive committee of the national church or equivalent letter of recommendation.

(2) A course on history and polity of U.S. church.

(3) A completed ministerial application.

c. Transcript. In order to assist a member minister who is transferring into another district, a transcript giving helpful information concerning the minister and his or her spouse should accompany the certificate of transfer.

d. Transfers between language/ethnic districts and geographical districts. Credential holders from language/ethnic districts may transfer to geographical districts and credential holders from geographical districts may transfer to language/ethnic districts.

Section 10. Credential Renewals and Reinstatements

a. Terminology

(1) *Renewed.* The term *renewed* shall apply to all ministers who have met the annual deadline for renewal including those who are delinquent but who renew by January 15.

(2) *Reinstated.* The term *reinstated* shall apply to the persons whose names have been deleted from the official ministerial list, who upon application are approved for restoration of credentials.

ARTICLE VII

b. Expiration date. All fellowship certificates are valid only until December 31 of each year and must be renewed annually. The renewing of credentials is the responsibility of the individual minister. Ministers who do not receive an annual renewal form by December 1 should notify their district office.

c. Grace period until January 15. All who have not renewed their fellowship certificates postmarked on or before December 31 shall be considered delinquent. They shall be required to pay a late fee of \$50 up until January 15, to be divided equally between the district and General Council.

d. Reinstatement of lapsed minister. Ministers whose renewal applications are not postmarked by January 15 shall be recorded as lapsed as of December 31. They must make application for reinstatement and pay a nonrefundable fee of \$100, to be divided equally between the district and the General Council. These ministers shall not be subject to the minimal time lapse required of those whose credentials have been terminated for other causes.

e. Reinstatement of other than dismissed minister. When a minister who is a member of our Fellowship is removed from our rolls for any cause, except failure to renew and dismissal, and shall apply for reinstatement, he or she shall not be eligible for reinstatement until at least 6 months have elapsed after his or her name has been stricken from our list of ministers. The application must be made in the district where the minister resides and be accompanied with a nonrefundable fee of \$100 to be divided between the district and the General Council. (See Bylaws, Article X, Section 12, paragraph b, for reinstatement of dismissed minister.)

The district of residence shall seek a letter of clearance from the district that processed the termination and, upon receipt of the clearance, may add its endorsement and forward the application, together with the letter of clearance, to the General Council Credentials Committee for its action.

f. Support of the National Leadership and Resource Center. The work of The General Council of the Assemblies of God, in its program of developing the spirit of cooperation and fellowship in U.S. and world missions fields, incurs considerable expense, including the financial support of the executive officers and offices.

Ordained ministers should recognize their obligation to contribute \$25 per month (\$300 per year) from their tithes, or as an offering. Licensed ministers should contribute \$20 per month (\$240 per year) from their tithes or as an offering; and certified ministers should contribute \$10 per month (\$120 per year) from their tithes or as an offering. All who can are strongly urged to give more than the suggested amount, either personally or through the assemblies they pastor.

Compliance with the above requirements shall be a prerequisite for renewal of credentials of all active ministers. If their contributions are in arrears, they shall be given opportunity to meet this deficit with their renewal.

Section 11. Nondisciplinary Credential Terminations

a. On the initiative of the minister.

(1) *Lapsed.* Ministers who do not renew their credentials shall be listed as lapsed, provided there is no cause for disciplinary action. Their names shall be published as lapsed in the *Assemblies of God Ministers Letter*, hereinafter referred to as the ministers letter.

(2) *Resigned.* Ministers who elect to remove themselves from the Fellowship shall submit a letter of resignation to the district with which they are affiliated. If there is no cause for disciplinary action, their resignation shall become effective after having been approved by both the district council and General Council credentials committees. Their termination shall be listed in the ministers letter as resigned.

BYLAWS

b. On the initiative of the district. (See Article X, Section 4.)

(1) *Inactive.* When a minister becomes inactive for 2 consecutive years, according to the stipulations set forth in Bylaws, Article VII, Section 6, paragraph b, his or her name shall be published as inactive in the ministers letter.

(2) *Not renewed.* If in the opinion of the credentials committees a minister's credentials should not be renewed short of disciplinary action, the minister's name shall be published as not renewed in the ministers letter.

c. As a result of affiliation with another church organization. In the event a minister shall identify with another organization granting ministerial credentials, and shall have received such credentials, his or her credentials with The General Council of the Assemblies of God shall be terminated. An investigation shall be made to determine the proper category of termination.

d. Surrender of credentials. In all cases the minister shall be requested to surrender his or her credential (Certificate of Ordination, Ministry License, Certificate of Ministry) and current fellowship card to the district office. The district shall forward these to the office of the general secretary of The General Council of the Assemblies of God. Refusal to surrender his or her credential and current fellowship card shall be considered insubordination and may result in placing a charge against the minister.

Section 12. Ministerial Status Changes

All changes in a minister's status are to be reported immediately to his or her district office, which in turn is to report this information to the office of the general secretary of the General Council, on the Ministerial Status Report form provided by that office.

Section 13. Transfer of Information

The general secretary of The General Council of the Assemblies of God, and any district officer, may share information in a minister's file that pertains to the minister's fitness for ministry with any other district officer. The term "minister's file" includes files maintained for both credentialed ministers and applicants for ministerial credentials. This provision shall also apply to designees of the general secretary or district officer.

Section 14. Privileged Communications

Assemblies of God ministers are encouraged to respect as sacred and confidential information confided to them while they are functioning in their ministerial capacities as spiritual counselors and are encouraged not to disclose such confidential information except with the permission of the confidant, to prevent the commission of a crime, or if required by law.

Section 15. Integrity in Educational Credentials

a. Continuing education encouraged. Our ministers and churches are encouraged to seek continuing education, discipleship, spiritual formation, and training opportunities of all kinds, of all degrees of difficulty, of their own initiative or in cooperation with the district council and the General Council, but with great care always taken to properly understand and honestly describe all such training, certifications, degrees, and titles.

b. Using adequately accredited institutions. Because of the many questionable institutions offering unaccredited or deficient training and education, and since the General Council, our General Council schools, and our regional Assemblies of God universities are committed to achieving and maintaining the highest standards of accreditation in education, we strongly encourage our ministers to meet their continuing education needs either through endorsed Assemblies of God institutions or through other reputable institutions having accreditation status at least equivalent to that held by our own regionally and nationally accredited schools, and to consult the district council or General Council offices if they have questions in these matters.

ARTICLE VIII. CHRISTIAN MARRIAGE AND FAMILY

Section 1. Christian Marriage

Marriage was established by God in the Garden of Eden (Genesis 2:18, 21-25) and confirmed by Jesus Christ to be a permanent relationship between a man and a woman (Matthew 19:4-6). Because marriage is not only a commitment to a spouse, but also to God (Genesis 2:24; Mark 10:9; Ephesians 5:31), a believer should marry only another believer (2 Corinthians 6:14). Christian marriage is a reflection of the love, purity, and permanence between Christ and the Church (Ephesians 5:23-33).

Even though some marriages may fall short of the biblical ideal (see Article IX, B, Section 5), husbands and wives who devote themselves to God (Ephesians 5:21) and find nurture and instruction in the body of Christ (Hebrews 10:25) can realize the strength and blessing of God in their relationship.

Section 2. Children

Children “are a heritage from the Lord”; therefore, rearing them is to be treated as a sacred trust. God’s strength and wisdom are available on a daily basis in order to bring up children to love and obey God (Proverbs 22:6; Ephesians 6:4).

**ARTICLE IX. DOCTRINES AND PRACTICES
DISAPPROVED**

A. COMMISSION ON DOCTRINAL PURITY

a. Authorization and purpose. A Commission on Doctrinal Purity shall be established for the purpose of giving careful attention to preventing deviations from the Statement of Fundamental Truths and proliferation of unscriptural teachings. The commission shall receive its assignments from and make its reports to the Executive Presbytery.

b. Appointments and terms of office. The commission shall be appointed by the Executive Presbytery and shall consist of 10 members representing, insofar as possible, the area divisions of the Assemblies of God. Members shall be recognized authorities in biblical knowledge. Their terms of office shall be for 4 years.

c. Vacancies and terminations. The Executive Presbytery shall be empowered to declare the office of any commission member vacant should it deem such action advisable. A decision to declare a vacancy and to fill such vacancy may be made at any meeting of the Executive Presbytery.

B. LIST OF DOCTRINES AND PRACTICES DISAPPROVED

In accord with its constitutional prerogatives, The General Council of the Assemblies of God has declared itself pertaining to disapproval of certain matters as follows:

Section 1. Unconditional Security

In view of the biblical teaching that the security of the believer depends on a living relationship with Christ (John 15:6); in view of the Bible’s call to a life of holiness (1 Peter 1:16; Hebrews 12:14); in view of the clear teaching that a man may have his part taken out of the Book of Life (Revelation 22:19); and in view of the fact that one who believes for a while can fall away (Luke 8:13); The General Council of the Assemblies of God disapproves of the unconditional security position which holds that it is impossible for a person once saved to be lost.

BYLAWS

Section 2. Legalism

a. Matters of conscience. The Assemblies of God strongly affirms that the Scriptures teach a life of “holiness without which no man shall see the Lord” (Hebrews 12:14). However, since sincere commitment to holy living sometimes results in sharp differences of opinion among believers on debatable matters of personal conscience, the Assemblies of God disapproves the practice of pressing these debatable matters of personal conscience upon others (Romans 14:1-4).

b. Adding conditions to salvation. The Assemblies of God strongly affirms that salvation is received through repentance toward God and faith in the Lord Jesus Christ (Ephesians 2:8,9). Therefore, the Assemblies of God disapproves any teaching or practice that seems to add conditions to salvation (Galatians 3:1-5).

Section 3. Eschatological Errors

a. The restitution of all things. The Assemblies of God understands the teaching of Acts 3:21 to limit the restoration to that of which the prophets have spoken, thus denying the universal redemption theory. We are opposed to all forms of universalism (Matthew 25:46; Revelation 20:10).

b. Setting a date for the Lord’s return. It is unwise to teach that the Lord will come at some specified time, thereby setting a date for His appearing (Mark 13:32,33; Luke 12:37-40; 1 Thessalonians 5:2). It is also unwise to give out from the platform, or publish, visions of numbers and dates fixing the time of the second coming of the Lord.

c. Post-Tribulation Rapture. The General Council of the Assemblies of God has declared itself in the Statement of Fundamental Truths that it holds to the belief in the imminent coming of the Lord as the blessed hope of the Church; and since the teaching that the Church must go through the Tribulation tends to bring confusion and division among the saints, it is recommended that all our ministers teach the imminent coming of Christ, warning all to be prepared for that coming, which may occur at any time, and not lull their minds into complacency by any teaching that would cause them to feel that specific Tribulation events must occur before the rapture of the saints.

d. Amillennialism. The General Council of the Assemblies of God disapproves of the amillennial teaching and its attendant erroneous philosophy which denies the fact of a literal 1,000-year reign of Christ on the earth, and substitutes for it the theory that this Christian or Church dispensation is the spiritual Millennium of which, its proponents say, the Bible writers prophesied.

e. Credentials jeopardized if made an issue. We recommend that those ministers who embrace any of the foregoing eschatological errors refrain from preaching or teaching them. Should they persist in emphasizing these doctrines to the point of making them an issue, their standing in the Fellowship will be seriously affected (Luke 21:34-36; 1 Thessalonians 5:9,10; 2 Thessalonians 1:4-10; Revelation 3:10,19,20).

Section 4. Membership in Secret Orders

Ours is a last-day message in preparation for the coming of the Lord (Matthew 24:14), leaving us no alternative but wholehearted devotion to the cause of spreading the gospel (Luke 9:62); and it is well known that the various secret orders require much valuable time and interest, thus diverting the servant of the Lord out of the way (Ephesians 5:16).

The nature of such organizations demands secrecy (John 18:20; Acts 26:26) reinforced by religious oaths (Matthew 5:34) and strong attachment by binding obligations to persons who are for the most part unregenerated (2 Corinthians 6:14). The spirit, philosophy, and general influence of such secret orders aim at the improvement of the natural man only (1 Corinthians 2:14; Colossians 2:8), thus wrongly channeling by incorrect interpretation important spiritual truths (2 Peter 3:16).

ARTICLE IX

Confidence in these secret orders and their teachings has always tended toward the embracing of a false hope of salvation through good works and improved moral service (Ephesians 2:8,9).

In consideration of the foregoing, all ministers affiliated with the Assemblies of God should refrain from identifying themselves with any of the secret orders that the General Council recognizes as essentially of the world, worldly; and the General Council advises any who may have identified themselves with such orders to sever their connections with them (2 Corinthians 6:17). Furthermore, Assemblies of God ministers are requested to use their good influence among our lay members to dissuade them from such fraternal affiliations (1 Timothy 4:12; 2 Timothy 2:24-26).

Section 5. Divorce and Remarriage

a. Membership

(1) *Marriage entanglements before conversion.* There are now among Christian people those who became entangled in their marriage relations in their former lives of sin and who do not see how these matters can be adjusted. We recommend that these people be received into the membership of local assemblies and that their marriage complications be left in the hands of the Lord (1 Corinthians 7:17,20,24).

(2) *Common-law marriages.* We recommend that in no case shall persons be accepted into membership who are known to be living in a common-law state of matrimony.

b. Remarriage. Low standards on marriage and divorce are very hurtful to individuals, to the family, and to the cause of Christ. Therefore, we discourage divorce by all lawful means and teaching. We positively disapprove of Christians getting divorces for any cause except fornication and adultery (Matthew 19:9). Where these exceptional circumstances exist or when a Christian has been divorced by an unbeliever, we recommend that the question of remarriage be resolved by the believer in the light of God's Word (1 Corinthians 7:15,27,28).

c. Local church leadership

(1) *Standard for offices of bishop, or elder, and deacon.* Since the New Testament restricts divorced and remarried believers from the church offices of bishop, or elder, and deacon, we recommend that this standard be upheld by all our assemblies (Titus 1:5-9; 1 Timothy 3:12), except when the divorce occurred prior to conversion (2 Corinthians 5:17) or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15).

(2) *Prerogative of local assemblies.* It is understood that recommendations are not binding, but local assemblies shall maintain the prerogative of setting their own standards (in accord with provisions of Article XI of the Constitution).

d. Performing marriage ceremonies

(1) *Ministerial guidelines.* We discourage any Assemblies of God minister performing a marriage ceremony for anyone who has been divorced and whose former spouse is still living, unless the case is included in the exceptional circumstances described in Bylaws, Article IX, B, Section 5, paragraph b.

(2) *Violation of conscience not required.* We realize that the remarrying of such persons included in the exceptive circumstances in Bylaws, Article IX, B, Section 5, paragraph b, could violate the conscience of a minister; and if this should be the case, the minister should not be expected to perform such ceremonies.

(3) *Same-sex ceremonies.* No minister shall perform any type of marriage, cohabitation, or covenant ceremony for persons who are of the same sex. Such a ceremony would endorse homosexuality which is a sin and strictly forbidden in God's Word (Leviticus 18:22; 20:13; Romans 1:26,27; 1 Corinthians 6:9; 1 Timothy 1:9-11). Any minister of our Fellowship who performs a ceremony for these types of disapproved relations, unless innocently deceived into doing so, shall be dismissed from the Fellowship.

BYLAWS

(4) *Counsel.* An Assemblies of God minister is urged to counsel applicants for marriage ceremonies with scriptural guidelines for Christian marriage prior to performing the ceremony. A minister may not perform ceremonies for persons who, in the minister's opinion, approach marriage without proper forethought, wisdom, and sobriety.

e. Ministerial credentials. We disapprove of any married minister of the Assemblies of God holding credentials if either minister or spouse has a former spouse living unless the divorce occurred prior to conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15). (See also Bylaws, Article VII, Section 2, paragraphs j and k.)

Section 6. Worldliness

In view of the alarming erosion of national moral standards, we reaffirm our intention of holding up Bible standards against all forms of worldliness. We urge all believers to "love not the world, neither the things that are in the world.... For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (1 John 2:15,16).

In its teaching regarding worldliness, the Scriptures warn against participation in activity that defiles the body, or corrupts the mind and spirit; the inordinate love of or preoccupation with pleasures, position, or possessions, which lead to their misuse; manifestation of extreme behavior, unbecoming speech, or inappropriate appearance; any fascination or association which lessens one's affection for spiritual things (Luke 21:34,35; Romans 8:5-8; 12:1,2; 2 Corinthians 6:14-18; Ephesians 5:11; 1 Timothy 2:8-10; 4:12; James 4:4; 1 John 2:15-17; Titus 2:12).

Section 7. Abuses of Stewardship

a. Tithing

(1) According to the Scriptures, tithes should be used for the support of the active ministry and for the propagation of the gospel and work of the Lord and not be given to charity or used for other purposes. In tithing, the ministers ought to be examples.

(2) We recognize the duty of tithing and urge all our people to pay tithes to God. It is recommended that arrangements satisfactory to the pastor and the church be made by all pastors and churches, so that the pastor may receive regular and adequate support. We disapprove, however, of the teaching that all tithes necessarily should belong to the pastor for his or her support.

b. Solicitation of funds

(1) It is considered improper and unethical for ministers or missionaries to solicit funds, by letter or otherwise, for anything or any reason whatsoever without proper authorization.

(2) The purpose of this section is not to hinder or discourage legitimate projects but to protect the Fellowship from those who employ methods not in harmony with Assemblies of God principles or policies.

Leaders in local projects shall have unquestioned freedom in local churches or communities.

Projects of general interest to the district must have authorization of the district officers.

Projects or institutions of national scope that plan to solicit funds from Assemblies of God churches must have the authorization of the Executive Presbytery of The General Council of the Assemblies of God.

Promotion of all projects of a missions character must have the authorization of the Executive Presbytery.

(3) The obtaining and use of mailing lists for promotional purposes not having proper authorization or which are not in keeping with policies of The General Council of the Assemblies of God shall be considered improper and unethical, whether it be under the name of a prayer chain beyond a local scope, chain letters, or appeals to the constituency for the support of ventures of strictly local or personal character. All offenders guilty of the practices expressed in the foregoing paragraphs shall be subject to discipline.

c. Private ownership of religious institutions. The General Council of the Assemblies of God approves the holding of title to all church buildings, schools, or other institutions that are supported by funds solicited for the work of God by properly constituted corporations. It disapproves the holding of title to such properties by the ministers of the Assemblies of God, through private ownership, corporations sole, or closed corporations. In the event a local congregation is not incorporated or set in order by the district council, title should be vested in properly qualified trustees. Where private ownership exists, a properly incorporated body shall be formed and title to the property shall be transferred to the corporation.

A disregard of this principle and recommendation shall seriously affect the relation of the Assemblies of God members involved in such ownership.

Section 8. Violations of Ministerial Courtesy

All discourteous conduct is disapproved, and all ministers are advised against interfering with pastors in charge of assemblies, whether it be by going in upon their work without consent or by such correspondence with members of the assembly as will hurt the influence of the leader. All correspondence which concerns the whole assembly shall be addressed to the one in charge and not to individual members. Where there is no pastor, letters concerning the work shall be addressed to the officers of the assembly.

Any minister who so offends shall be subject to discipline.

Section 9. Ministry in a Non-Assemblies of God Church

Ministers shall not be limited or restrained from entering open doors to preach this Pentecostal message, so long as they retain Assemblies of God doctrine, standards of holiness, proper attitudes, and proper ministerial conduct without compromise.

Inasmuch as unity is a vital principle for growth and spiritual development of the Assemblies of God Fellowship, it is essential that we recognize our relationship to each other and that we practice Christian cooperation in all our pastoral, evangelistic, missionary, and local church work.

We recommend therefore that our ministers confer with district council officials before engaging in ministry in any church group or organization not affiliated with the Assemblies of God so as to ascertain whether such ministry might result in confusion or misunderstandings. If the minister does not have district approval, he or she shall be expected to refrain from conducting services for the church. Ministers who violate this principle shall be subject to discipline.

Section 10. An Improper Attitude Toward Those Removed From the Fellowship

In order to render effective decisions made in the interest of proper discipline and for the protection of our assemblies, all who hold credentials, and local churches holding certificates of affiliation, shall refrain from taking an attitude toward offenders that would tend to nullify or set at naught the solemn verdict of those entrusted with this responsibility. Those who fail to support said verdict shall be subject to reprimand or, if persisted in, appropriate discipline.

Section 11. Interdenominational or Ecumenical Relationships

The General Council of the Assemblies of God encourages ministers or churches to fellowship with other Christians of like precious faith who hold to the inspiration of Scripture, the deity of Christ, the universality of sin, the substitutionary Atonement, the physical resurrection of Jesus Christ from the dead, and His second coming.

The General Council of the Assemblies of God shall not belong to any interdenominational or ecumenical organization that denies the evangelical beliefs stated in the above paragraph, and urges its ministers and churches to avoid entanglement with such interdenominational or ecumenical organizations except as opportunity may arise to support biblical values in the culture or provide opportunity to bear witness to our evangelical and Pentecostal faith and experience.

BYLAWS

Section 12. Divine Healing and Professional Medicine

The General Council of the Assemblies of God disapproves of any credentialed minister counseling a believer to exclude medical advice and/or treatment when seeking prayer for physical healing. Assemblies of God ministers shall not represent medical advice and/or treatment as a lack of faith in God's healing power.

Section 13. Accountability in Educational Attribution

a. Attribution. In order to maintain our testimony of quality and integrity in educational credentials before the Church and the world, and to minimize the possibility of our ministers and churches being victimized by, or supporting, or perpetrating frauds in education or credentialing, we maintain certain standards for the attribution of degrees, certifications, and titles.

(1) *Attribution by ministers.* Our ministers shall refrain from listing, promoting, or attributing to themselves or others any degrees or titles conferred by institutions or organizations having, at the time of conferral, a formal accreditation status less than that of our appropriately corresponding Assemblies of God institutions (whether our institute, regional university, or seminary levels).

(2) *Attribution by the General Council.* No media, ministry, department, arm, or employee of the General Council shall list, attribute, or promote for any person, any degree or title conferred by an institution or organization having, at the time of conferral, a formal accreditation status less than that of our appropriately corresponding Assemblies of God institutions (whether our institute, regional university, or seminary levels).

(3) *Attribution by local churches.* We strongly encourage our ministers, boards, and churches to take great care to ensure that all ministers and church employees have actually earned the legitimately accredited education, training, and certification, as defined above, which they claim by their titles or degrees (such as counselor, therapist, doctor, and so on).

(4) *Attribution accepted.* All previously earned or conferred degrees prior to August 2007, from any institution whatsoever shall be fully accepted and grandfathered in.

b. Intentional failure to comply. Intentional refusal to comply with this ethical standard for educational credentials constitutes perpetrating a fraud upon the church and the world, personally and in the good name of the Assemblies of God, and the General Council disapproves of such practices.

ARTICLE X. DISCIPLINE

Section 1. The Nature and Purposes of Discipline

Discipline is an exercise of scriptural authority for which the church is responsible. The aims of discipline are that God may be honored, that the purity and welfare of the ministry may be maintained, and that those under discipline may be brought to repentance and restoration (Galatians 6:1).

Discipline is to be administered for the restoration of the minister, while fully providing for the protection of the spiritual welfare of our local assemblies. It is to be redemptive in nature as well as corrective, and is to be exercised as under a dispensation of mercy.

Section 2. The Relationship Between the District and General Council Credentials Committees

The Executive Presbytery of the General Council is the Credentials Committee of The General Council of the Assemblies of God (Constitution, Article X, Sections 4 and 6). It shall have the final authority in matters of doctrine and the personal conduct of all certified, licensed, and ordained ministers. District actions related to the termination of credentials or the remedial discipline of restoration are to be in the form of recommendations to the General Council Credentials Committee. All references to the discipline of ministers within this article of the Bylaws relate solely to certified, licensed, and ordained ministers.

Section 3. Causes of Disciplinary Action

Violations of Assemblies of God principles as stated in these Constitution and Bylaws may give cause for disciplinary action by the credentials committees. Among such causes for action shall be:

- a. Moral failure involving sexual misconduct.
- b. Moral failure involving pornography.
- c. Any moral or ethical failure other than sexual misconduct.
- d. General inefficiency in the ministry.
- e. A failure to represent our Pentecostal testimony correctly.
- f. A contentious or noncooperative spirit.
- g. An assumption of dictatorial authority over an assembly.
- h. An arbitrary rejection of district counsel.
- i. A declared open change in doctrinal views.
- j. Immoral, unethical, or illegal practices related to personal, church, or ministry finances.
- k. A marriage in violation of our stand on marriage and divorce. (See Bylaws, Article IX, B, Section 5, paragraphs d and e.)
- l. Violations of ministerial courtesy. (See Bylaws, Article IX, B, Section 8.)
- m. Ministry without prior approval in a non-Assemblies of God church. (See Bylaws, Article IX, B, Section 9.)
- n. An improper attitude toward those dismissed from the Fellowship. (See Bylaws, Article IX, B, Section 10.)

Notwithstanding the above, when more than 7 years have elapsed from an occurrence that is cause for disciplinary action, a district credentials committee may recommend to the General Council Credentials Committee that no discipline be administered when, in view of all the circumstances, it would appear that such discipline would serve only as punitive in nature rather than restorative. In all such cases, final determination shall be made by the General Council Credentials Committee.

Section 4. Right of Initiative

a. Authority. Occasions sometimes arise which make it necessary to deal with ministers who for some reason seem to have reached the place where, in the opinion of the leaders, endorsement can no longer be given. Credentials committees which have the authority to ordain ministers and to recommend them for credentials also have the right to withdraw their approval and to recommend the recall of credentials.

b. Prior right of district. The officers of the district in which an alleged offense is reported to have occurred shall be recognized as having the prior right of initiative in matters of discipline.

c. Responsibility of district of affiliation. If the district in which an alleged offense is reported to have occurred for some reason cannot take action, the General Council Credentials Committee shall refer the matter, together with the facts and supporting instruments, to the district with which the minister is affiliated.

d. Responsibility of General Council Credentials Committee. In the event a district fails to take action within 90 days after a matter has been referred to it, it shall be the responsibility of the General Council Credentials Committee to see that action is initiated.

Section 5. Investigation of Reports or Complaints of Alleged Violations or Confessions of Violations of Assemblies of God Principles

a. Within the districts of The General Council of the Assemblies of God. Reports or complaints of alleged violations of Assemblies of God principles (Bylaws, Article X, Section 3) or confessions of such by a minister shall be investigated. The superintendent of the district in which the alleged offense is reported to have occurred, or an appointed

BYLAWS

representative, shall conduct the investigation to determine their source and validity. It is the responsibility of the district superintendent to safeguard the church, the minister, the district, and the Fellowship. In the event such reports or complaints against a minister are filed with the General Council Credentials Committee, they shall be referred to the district in which the offense occurred for investigation. A copy shall be sent to the district with which the minister is affiliated.

(1) *Interview with complainants.* The persons involved shall be interviewed to ascertain the facts in the case and the reasons underlying the persistence of the reports or complaints.

(2) *Interview with accused minister.* The accused minister shall be given an opportunity to be interviewed to discuss the complaints received in the hope that the matter can be resolved.

(3) *Signed complaints.* In the event the investigation so warrants, a signed complaint shall be filed with the district office by each complainant describing the alleged offense.

(4) *Conditions for ministry during investigation.* Conditions of continuing ministry may be subject to restriction during the time of investigation at the discretion of the appropriate district officers on the basis of evidence at hand and the nature of the alleged offense. Such conditions are subject to review in 3-month intervals until such investigation has been completed resulting in either clearing the person of the allegations or filing formal charges.

b. Outside United States. In case the alleged misconduct occurs outside the United States in an area under the general oversight of Assemblies of God World Missions, that division shall take the initiative to file complete data with the district of the minister's affiliation. Any hearing or trial affecting that individual's ministerial credentials shall be held in the district of the minister's affiliation. Assemblies of God World Missions shall convey all information available to the said district as follows:

(1) *Report to district of affiliation.* At the earliest date after Assemblies of God World Missions receives a report of misconduct, such report shall be conveyed by telephone and by letter to the superintendent of the district with which the minister is affiliated.

(2) *Confidential file.* A confidential file shall be submitted to the superintendent, conveying all information as it becomes available to the division. A final complete file shall be prepared under the direction of the field director of the field involved and shall be presented to the district superintendent for use in any action the district may take.

(3) *Additional information.* When in the judgment of Assemblies of God World Missions or the district involved, basic information is lacking (which information may be available at the site of the alleged misconduct), arrangements may be made for the gathering of such.

Section 6. Preparation and Filing of Charges

If after due investigation it is determined that charges should be made, proper charges shall be prepared and filed in the district office. If no one appears to sign the charges, the district officers making the investigation may file charges based on the evidence in their possession. The person against whom charges have been filed shall be informed in writing by certified mail, at the last address furnished to the district, of the charges made in keeping with Bylaws, Article X, Section 3.

Section 7. District Hearing and Discipline

a. District hearing. In the event the reports or complaints cannot be dealt with privately to the satisfaction of all concerned, the superintendent of the district in which the alleged offense is said to have occurred, or the superintendent of the district with which the minister is affiliated, shall arrange for a hearing by the district credentials committee for the accused minister. The minister shall be required to appear at the hearing in the hope the matter can be resolved.

ARTICLE X

b. Forfeiture of rights of accused. A hearing shall not be considered as final disposition of the case until the accused be present and be allowed all rights and privileges granted herein. However, an accused member may be found guilty of charges and disciplined for failure to appear at the hearing, or if proof is found of willful neglect to take advantage of rights and privileges provided in these Bylaws.

c. Discipline

(1) *Cause for discipline.* A minister who has been found guilty of violating any of the Assemblies of God principles set forth in Bylaws, Article X, Section 3, either by a confession of the minister involved or by deliberation of the district presbytery, shall be subject to disciplinary action.

(2) *Determination of discipline.* It shall be the responsibility of the credentials committees to determine whether the circumstances of the case merit restoration or dismissal. The credentials committees shall weigh decisions on: (a) the basis of the offense itself, (b) the manner and thoroughness of repentance, (c) the attitude of the offending minister toward the discipline, and (d) the willingness manifested to cooperate.

(3) *Administering discipline redemptively.* If the district determines that guilt has been established, discipline shall be administered prayerfully and in the fear of God, in accordance with the Scriptures, and as set forth in the Constitution and Bylaws of this ecclesiastical body (Bylaws, Article X, Sections 8 and 9).

d. Surrender of credentials. Disciplined ministers shall be required to surrender their ministerial credentials and their current fellowship card to the district office. In the event of restoration the credentials shall be held in the district office. In the event of dismissal the district shall forward the credentials to the general secretary of The General Council of the Assemblies of God. Refusal to surrender ministerial credentials and current fellowship card may result in placing an additional charge against the minister.

Section 8. Restoration

Recognizing that the underlying principle involved in discipline is redemptive, and that man's conscience frequently brings him to judgment and confession, and that justice can sometimes be best served with mercy, an effort should be made to lead the offending minister through a program of restoration, administered in love and kindness. The following provisions for restoration shall apply.

a. Basis. Those found to have violated any of the Assemblies of God principles (Bylaws, Article X, Section 3) may request a program of restoration as an alternative to dismissal. Restoration is a privilege granted out of mercy and not a right to be expected or demanded. The primary purpose is to restore a person to God, spouse, and family, with the results leading to possible restoration to ministry. Granting such request shall be at the discretion of the district and General Council credentials committees.

b. Procedure and requirements. The following procedure shall be used by the district presbytery in determining the specific requirements for restoration for the individual minister.

(1) *Restoration requirements.* The specific terms and conditions of the restoration program as recommended by the district credentials committee are to be forwarded to the General Council Credentials Committee for approval. After such approval they shall be given to the minister.

(a) *Suspension.* The minister shall be considered to be under suspension during the entire period of restoration.

(b) *Terms and Conditions*

(1) *Period of time.* The program for restoration shall continue for not less than 1 year except when the violation involves misconduct defined in Bylaws, Article X, Section 3, paragraph a, in which case it shall continue for not less than 2 years.

BYLAWS

(2) *Authority.* The General Presbytery shall be authorized to establish guidelines and policy in regard to terms and conditions of restoration. Such guidelines and policy shall be consistent with provisions of the Bylaws.

(c) *Extent of ministry.* The extent to which ministry may be permitted, if any, shall be determined by the district presbytery, subject to the approval of the General Council Credentials Committee and compatible with the guidelines and policy established by the General Presbytery.

(d) *District membership.* The minister shall not be permitted to transfer his or her membership to another district during the period of restoration.

(e) *Publication.* While the minister's credentials are in a state of suspension, the minister's name shall not be removed from the ministerial roster, nor shall the minister's disciplinary status be published in either the General Council or district council official publications.

(f) *Credentials renewal.* The minister shall renew his or her credentials annually in the regular manner.

(g) *Supervision.* In the event his or her ministerial activity has been terminated, the minister must become established in a local church working under the supervision of a pastor or presbyter.

(h) *Reports.* The minister must submit reports quarterly to the district superintendent.

(i) *Ministerial benefits.* During the program of restoration the minister shall continue to be eligible for benefits such as the ministers group insurance and Ministers Benefit Association.

(j) *Program administration.* The approved restoration program shall be administered by the district presbytery.

(2) *District progress reports.* The credentials committee of the district shall submit to the General Council Credentials Committee on February 1 and August 1 of each calendar year a progress report relative to the restoration of ministers under discipline.

(3) *Completion of restoration.* When the restoration program has been satisfactorily completed, the suspension shall be lifted and the minister shall be restored to good standing.

(4) *Transfer of information.* A restoration information form for district use, prepared and distributed by the general secretary, shall be completed by the district in which the restoration occurred when the restored minister requests a transfer to a new district. The completed restoration form shall accompany the Certificate of Transfer to another district. A disciplined minister shall, as a condition of entering a restoration program, sign a Limited Disclosure Agreement approved by the General Presbytery allowing the basis of his or her restoration program to be disclosed by the district superintendent or district secretary of a transferring district. The information shall be preserved for future reference in the files of the district in which the restoration occurred and the General Council.

c. Eligibility of previously dismissed. In the event a minister who has been dismissed requests reinstatement, the district shall first obtain permission from the General Council Credentials Committee before submitting an appropriate restoration program as prescribed in Section 8 of this article. The dismissed minister shall not be eligible for reinstatement until the requirements for restoration have been completed. Consideration may also be given to a minister if in the opinion of the credentials committees he or she has satisfactorily fulfilled the remedial requirements of such restoration.

Section 9. Referral for Action to the General Council Credentials Committee

a. District recommendation

(1) *Restoration.* When a minister is to be placed in a restoration program in accordance with Section 8 of this article, the district shall forward to the General Council Credentials Committee the specific charges and recommended terms of restoration. The district shall inform the minister involved of its action and, where applicable, the superintendent of the minister's district of affiliation.

ARTICLE X

(2) *Dismissal.* When a minister has been found guilty of violating any of the Assemblies of God principles as set forth in Bylaws, Article X, Section 3, and it is determined that restoration is not feasible or fails, a minister's credentials are to be terminated by dismissal. The district shall forward to the General Council Credentials Committee the specific charges and its recommendation for dismissal. The district shall inform the minister involved of its action and, where applicable, the superintendent of the minister's district of affiliation.

(3) *Subsequent dismissal.* Should evidence come to light following a minister's resignation, or the lapse of his or her credentials, of conduct occurring prior to his or her resignation or lapse of credentials that would constitute grounds for disciplinary action under Article X, Section 3, of these Bylaws, the district at its discretion may request the General Council Credentials Committee to change that minister's status from lapsed or resigned to dismissed. The district shall inform the minister involved of its action and, where applicable, the superintendent of the minister's district of affiliation. All rights of appeal will apply.

(4) *Credential absolution.* Should a district where a dismissal occurred determine, after careful investigation, that a dismissed minister has completed remedial restoration followed by faithful service for many years, it may request the General Council Credentials Committee to lift a dismissal and clear the minister's name by changing his or her credential status from dismissed to resigned.

b. General Council Credentials Committee action. The General Council Credentials Committee shall consider the recommendation of the district and shall concur if in its judgment the district was justified in the action taken. If the General Council Credentials Committee does not concur, it may remand the case, together with its recommendations, back to the district for review and reconsideration. The district shall report the results of its recommendation to the General Council Credentials Committee for final disposition.

c. General Council to hold information. All pertinent information relating to the disciplinary action taken against a minister shall be preserved for future reference in the office of the General Council Credentials Committee.

d. Final disposition. The general secretary shall notify the minister and the district(s) involved of the final disposition of the case.

Section 10. Right of Appeal

a. Filing of appeal to the General Council Credentials Committee. The right of appeal applies to all actions of discipline and termination of credentials other than lapsing or resigning on the initiative of the minister. An accused minister shall have 30 days from the date notification of the General Council Credentials Committee's decision was mailed to appeal to the General Council Credentials Committee. The minister shall be apprised officially of this right at the time notification is given to the minister of the decision of the General Council Credentials Committee. The appeal is to be sent to the office of the general superintendent, and should include any new or exculpatory information not previously considered, with copies sent to the superintendent of the minister's district of affiliation and any other districts involved.

b. Consideration of appeal by the General Council Credentials Committee. The General Council Credentials Committee may respond to the appeal in one of the following ways:

(1) *Remanding of case to the district.* If in the judgment of the General Council Credentials Committee, justice has not been served, the case shall be remanded to the district presbytery for review and reconsideration. The district shall report the results of its review to the General Council Credentials Committee for final disposition.

(2) *Denial of appeal.*

(a) *Forfeiture of right of appeal.* No appeal shall be granted by remanding the case to the district presbytery if proof is found of willful neglect on the part of the accused to take advantage of available rights and privileges during the district hearing (see Section 5, 6, & 7 of this Article).

BYLAWS

(b) *Insufficient grounds.* The General Council Credentials Committee shall have the prerogative to determine whether there is sufficient cause to grant an appeal, and remand the case to the district.

c. Right of appeal to the General Presbytery.

(1) A disciplined minister whose appeal has been denied by the General Council Credentials Committee may appeal to the General Presbytery. An accused minister shall have 30 days from the date notification of the General Council Credentials Committee's decision was mailed to appeal to the General Presbytery. The appeal is to be sent to the office of the general superintendent, and must include new exculpatory information, with copies sent to the superintendent of the minister's district of affiliation and any other districts involved. The decision of the General Presbytery shall be final.

(2) A district may appeal a decision of the Executive Presbytery to the General Presbytery. The decision of the General Presbytery shall be final.

Section 11. Publication of Dismissal

No publication of a dismissed minister's name shall be made until the district has been advised by the office of the general secretary that such has been authorized by the General Council Credentials Committee. An additional 30 days from the date of the notification shall be given the dismissed minister to exercise the right of appeal.

Section 12. Reinstatement of Credentials

a. Authorization. Application for reinstatement may be made through the district council within which territory the applicant resides. The application shall be considered subject to the approval of the district in which the termination was made.

b. Minimal time-lapse for dismissed ministers. The minimal time-lapse required before a minister who has been dismissed is eligible for reinstatement shall be 1 year, except it shall be 2 years for a minister who has been dismissed because of charges as stated in Bylaws, Article X, Section 3, paragraph a. The time-lapse shall be computed from the date of the district presbytery action as it appears on the ministerial status report filed with the General Council Credentials Committee. (See Bylaws, Article VII, Section 10, for other renewals and reinstatements.)

c. Restoration obligatory. When a minister has been dismissed from our Fellowship and applies for reinstatement, he or she shall comply with the procedures for restoration outlined in Section 8, paragraph c, of this Article.

d. Option to refer to General Presbytery. The General Council Credentials Committee may also hold the reinstatement of a minister's credentials in abeyance until the next session of the General Presbytery in order that the General Presbytery may have the opportunity to review the case, in which event the matter of reinstatement of such minister may be left entirely with that body.

e. Reinstatement fee. When applying for reinstatement the minister must include a \$100 reinstatement fee with the application to be divided equally between the district council and the General Council.

Section 13. Notice

Notice shall be deemed to have been given to a minister by certified mail from the district or General Council Credentials Committee on the basis of the last address furnished to the district or General Council by the minister. In the event the certified letter is returned as undeliverable for any reason, notice will have been deemed to have been given in view of the fact it is the minister's responsibility to furnish the district or General Council his or her address, and to accept lawful mail.

Section 14. Legal Representation

The discipline of ministers is a sacred responsibility that is entrusted to the credentials committees of districts and the General Council. A minister shall not be permitted to be accompanied by one or more attorneys at any meeting, hearing, or appeal pertaining to his or her discipline. A minister shall be permitted to be accompanied by one approved credentialed minister at any meeting, hearing, or appeal pertaining to his or her discipline.

**ARTICLE XI. NATIONAL MINISTRIES OF THE
GENERAL COUNCIL OF THE ASSEMBLIES OF GOD**

In addition to the divisions provided for in Article XIII. Assemblies of God World Missions; and Article XIV. Assemblies of God U.S. Missions, the Board of Directors of The General Council of the Assemblies of God shall establish such national ministries, including commissions, divisions, and departments as may from time-to-time be needed to carry out the fourfold mission of the church.

The organization and establishment of these ministries shall be provided for in *The General Council of the Assemblies of God Organizational Manual*. (See Bylaws, Article XII. *The General Council of the Assemblies of God Organizational Manual*.)

**ARTICLE XII. THE GENERAL COUNCIL OF
THE ASSEMBLIES OF GOD ORGANIZATIONAL MANUAL**

The General Council of the Assemblies of God shall develop and maintain a set of documents referred to as *The General Council of the Assemblies of God Organizational Manual*. This document shall set forth in detail the organization of commissions, divisions, departments, and ministries of The General Council of the Assemblies of God as from time-to-time may be established to carry out the fourfold mission of the church.

The General Council of the Assemblies of God Organizational Manual shall be administered by the Executive Leadership Team as approved by the Executive Presbytery. The Executive Presbytery shall submit annually to the General Presbytery for approval all proposed additions, deletions, and modifications to *The General Council of the Assemblies of God Organizational Manual*. *The General Council of the Assemblies of God Organizational Manual* shall be available to all General Council affiliated churches and ordained or licensed ministers.

ARTICLE XIII. ASSEMBLIES OF GOD WORLD MISSIONS

Section 1. Authorization and Purpose

a. Authorization. The General Council of the Assemblies of God shall assume responsibility and do all within its power for the spread of the gospel in foreign lands. In keeping with this objective, there shall be an Assemblies of God World Missions to which shall be committed all the world missions interests of the Fellowship.

b. Purpose. The primary responsibility of this division in its field of activity shall be to act as an agency of the church in fulfilling its fourfold mission.

c. Strategy. The missions strategy of the division shall be:

- (1) The widest possible evangelization of the spiritually lost through every available means;
- (2) The establishment of indigenous churches after the New Testament pattern;
- (3) The training of national believers to proclaim the gospel to their own people in an expanding mission to other people; and
- (4) The showing of compassion for suffering people in a manner representing the love of Jesus Christ.

(3) *Term of office.* The term of office of the appointed pastors and laypersons shall be for 4 years, rotated so some of the members will be elected each year to maintain continuity. Upon completion of a term they shall not succeed themselves in office.

(4) *Authority and amenability.* The responsibilities of the World Missions Board shall be to establish and evaluate policies, to offer guidance and counsel in the areas of its supervision, to establish and uphold standards for appointed world missionaries and world missions candidates for world missions appointment. (5) *Board of Appeals.* Those members of the World Missions Board who are not members of the World Missions Committee shall sit as a Board of Appeals to act upon any appeal from decisions of the division. (6) *Vacancies.* The Executive Presbytery may fill a vacancy on the World Missions Board by appointment until the term is expired.

f. Regional directors. There shall be regional directors who shall direct the missions activities in their assigned geographical regions. ARTICLE XIII

g. Creation of new region. With the creation of a new region, the World Missions Board shall have the discretion of nominating a regional director, to be appointed by the Executive Presbytery and ratified by the General Presbytery. The normal cycle of missionary endorsement will follow.

h. Area directors. There shall be area directors who shall serve under the regional directors, directing and coordinating missions activities in their assigned areas. They shall be appointed by the World Missions Board on the basis of nominations by the World Missions Committee and regional director in their respective areas.

i. World Missions Committee. The general administrative work of the division shall be conducted by a World Missions Committee consisting of the executive director as chairperson, the administrator as vice-chairperson, the regional directors, the leaders of major departments of the division, and other personnel as determined by the Executive Presbytery. The responsibilities of the World Missions Committee shall be the general supervision and direction of the work of the division and its missionaries in conformity with the established policies and principles of The General Council of the Assemblies of God and the World Missions Board.

j. General Presbytery representatives. Each of the regions shall be represented on the General Presbytery by its regional director and two others. International Ministries shall be represented on the General Presbytery by its director and two others. [See Bylaws, Article II, Section 2, paragraph d, (2).]

- c. Undesignated funds.
- d. Five percent of all missionary offerings (with the exclusion of special personal designations) received shall be transferred to the General Emergency Fund.

Section 4. Missionary Candidates

a. Appointment. The selection and appointment of missionaries shall be the prerogative of the World Missions Board on recommendation of the World Missions Committee.

b. Examination criteria. The World Missions Board shall be governed in its selection and appointment of missionaries by examining each applicant as to:

- (1) Personal experience of full New Testament salvation.
- (2) Definite experience of the baptism in the Holy Spirit according to Acts 2:4.
- (3) Definite call to missions work.
- (4) Physical, mental, and spiritual fitness to work.
- (5) Christian standing and general qualifications.

It is required that all applicants receiving appointment shall have the unqualified endorsement of their district councils, particularly in regard to effective ministry and Christian character. Applicants shall not be granted general missionary appointment until they have first qualified for ordination by The General Council of the Assemblies of God. Candidates shall prove their ministry and stability of character by a qualifying period of service in the United States.

BYLAWS

c. Specialized service. Candidates for world service of a specialized character, such as nurses and teachers, may be granted appointment for such types of work, if properly qualified, without the necessity of being ordained. Nevertheless, such candidates shall have the endorsement of their respective district councils in regard to their Christian experience and local church activity.

Section 5. Support of Missionaries

b. Church support. Every local church shall be encouraged to assume responsibility for support of duly appointed missionaries and approved ministries in cooperation with Assemblies of God World Missions.

c. Undesignated and general emergency funds. Undesignated funds and general emergency funds may be used to meet the emergency needs of missionaries who raise their prescribed pledge and cash support and submit required financial reports to the division.

Section 7. Field Organizations

a. National church organization. Missionaries shall make every effort to establish indigenous Assemblies of God national church organizations in the countries they serve. Organizational patterns shall conform to practical, cultural forms acceptable to the body of believers. Close fraternal relationships with Assemblies of God organizations in other countries shall be encouraged without infringement affecting the autonomy of each national organization.

b. Missionary fellowships. Missionary fellowships, composed of all appointed missionaries assigned permanently to a region of Assemblies of God World Missions, may be formed in each political or geographical area as circumstances may indicate. These missionary fellowships are to be considered as the direct creation of and amenable to the Assemblies of God World Missions since missionary appointment automatically confers membership in the missionary fellowship. The missionary fellowships shall serve in an advisory capacity to Assemblies of God World Missions in matters of policy and missionary personnel relative to their respective fields.

In those areas where there are insufficient personnel to make the organization of a missionary fellowship practical, Assemblies of God World Missions may appoint a representative(s) to act for the missionaries and Assemblies of God World Missions in matters normally handled by the missionary fellowship.

Section 8. Property

a. Investment principles. All possible precautions shall be taken to safeguard funds invested in foreign properties so that they shall continue to advance the cause of the Assemblies of God in those countries. No funds shall be made available for the purchase of property until arrangements have been made to comply with the laws of the respective countries concerning the legal holding of the title, and in order to maintain a proper relationship between these missions projects and Assemblies of God World Missions, these principles shall be followed:

ARTICLE XIV

(3) *Title policy on General Council loans.* In all cases where Assemblies of God World Missions has advanced funds on a loan basis, The General Council of the Assemblies of God shall hold title to the property or receive other adequate security until the loan is fully paid.

b. Missionary fellowship project endorsement. Missionaries contemplating the purchase of property or erection of buildings shall cooperate with the missionary fellowship on the field and must secure its endorsement before requesting the approval of the division.
